Sue/Daniel CARRIED

FINANCIAL STATEMENTS for year ending 30 June 2021 Financial report as provided with the reading of Sue Darney's comments:

2021 was a difficult and unpredictable year due to Covid however Swimming Taranaki has done well to maintain a healthy financial position. Reserves remain intact and sufficient is held to meet all future employment obligations for the year ahead and ensure the continued operation of the entity.

Tania has done an excellent job at obtaining funding from various community trusts up 32k on the previous year.

The Flannagan Cup has again been well supported by local business and has returned a net profit of \$5k. Affiliation fee income is down by \$1k and camps, clinics income down by \$8k. Camps and clinics were run differently due to Covid as day events.

Taranaki events and our other fundraiser Winter Champs income was down by \$5k due to a decision by the board to reduce fees in order to encourage swimmers who had been unable to return to the pool due to Covid. Further out of town entries were significantly down due to the uncertainty of travel. National and

representative expenditure was up by \$27k (due to funding income). No medals or ribbons were purchased in the year as sufficient stock was held thereby reducing that expense. The administrator's laptop was replaced and is included in the asset schedule. The major changes above have meant excess income over expenditure of \$11,093, an improvement in last year's loss of \$12,566.

Moved that the Statement of Financial Performance and Statement of Financial Position for 2020/2021 be taken as read and adopted.

PROPOSED AFFILIATION FEES FOR 2022/23

	Taranaki
Club Swimmer	0.00
Competitor	33.34
Club Fee	187.50

Discussion was had over the movement of the above fees, it was explained how the SNZ affiliation fees work for both competitive and club swimmers. It was suggested that to avoid Swimming Taranaki missing out on income due to swimmers only joining as club swimmers that a \$15.00 fee for each club and competitive swimmers be applied for the 2022/23 season.

Donna/Beth CARRIED

Move the club fee to remain at \$187.50 Daniel/Denyse CARRIED

AFFILIATION FEES SET FOR 2022/23	Taranaki

SWIMMING TARANAKI CHAIRPERSON'S REPORT

Another difficult year for our 2021-2022 swimming season due to Covid Restrictions, and although we all had great plans, we were not able to fulfil them all. However, I think everyone gave it a jolly good go, considering.

Thank You

I would like to acknowledge and thank all of the volunteers who have helped throughout the year, from poolside officiating, travelling away with teams, fundraising for clubs through to stepping into Club Committee and Board roles. For those of you new to the swimming world, it requires a significant input from parents, caregivers, friends to enable our children to progress through on their swimming pathways. In particular – a huge acknowledgement and appreciation of people like Cath Tippet, Rowan Williams, Margaret Higginson, Lisa Goble, Jo Wood, Maree Collins, Claire Dodunski, Allison Gadsby, Chris Drummond, Diane Cooper, Andrew Wood (and myself) – none of which have swimmers but are all so keen and happy to continue to help when called upon – we would be so lost without you all.

To both of our Swimming Taranaki Administrators in the last year Tania Stockman & Sasha Reid – you are superstars – I'm sure most people don't appreciate how much is involved in the Administrator Role, but you both respectively gave everything you could to help not only the board but our clubs and members alike. Do know that the work you put in is appreciated! Sasha we are sorry Covid messed with your plans for this year, I know how enthusiastic you were to learn and grow in the role and Tania we thank you for changing your mind and coming back (or was it that you missed us? 😊).

To our current Board Members, Lisa Goble, Kayanna Keenan, Donna Bouzaid, Jo Wood & Fiona Lacey – thank you so much for all you have done for Swimming Taranaki in this last season. I have really enjoyed strategizing and planning with you all, nutting out the problems along the way and celebrating our successes as a team. Each of you brings different strengths, knowledge and passion with you and I am glad I have had the opportunity to get to know and grow alongside all of you.

Achievements

Our 2021-2022 Season started off so excitingly with Zac Reid and Sue Southgate attending the Tokyo Olympics in July 2021 – I am sure everyone in the swimming community were tuned in and cheering – and although not all of us have had a direct impact on your swimming journey, we were all so proud & I'm sure there were a few of us that managed a bit of name dropping when the opportunity arose! Your tenacity and commitment Zac is a credit to you and a true inspiration to our up and coming swimmers, not only within our region but I'm sure across the country. Sport Taranaki also acknowledged both Zac and Sue for their continued commitment to and achievements within Swimming, with Zac receiving both the Senior Sportsman of the Year and Sportsperson of the Year Awards and Sue receiving the Coach of the Year Award.

We had 2 of our swimmers break New Zealand Records, with Callum Gordon breaking the NZ 14 Year Old Boys 50m Freestyle Record at NZ Secondary Schools in July 2021 and Zac Reid breaking the NZ Mens Open 800m Freestyle Record at the Tokyo Olympics also in July 2021.

And considering how disrupted the year was we also had 19 Individual Taranaki Records broken with Callum Gordon x 4, Anahera Martin x 3, Raiden Pinto x 1, Zac Reid x 1, Bella Wansbrough x 8 and Monique Wieruszowski x 2 – which shows how determined our swimmers are!

Current Board Objectives

The numbers of swimmers has been declining over the past few years, not only in Taranaki but throughout New Zealand and we recognise that we need to provide a good strong base for our swimmers to be able to have plenty of opportunities to compete – we also need to be able to cater to all levels of our swimmers within the region. It is vital that we support each other so that our swimmers get those opportunities – from our Learn to Swim members through to our Olympians (because we have one of those right now).

As such the Board have been trying to implement an annual swimming plan to grow the swimming opportunities within the region to support both our swimmers and our member clubs alike. We hope everyone is on the same page and that all of you support each other at the interclub carnivals both Development Meets as well as the Designated Meets – the more clubs that attend these events the more enjoyable they are – along with the added bonus of helping the clubs with some much needed fundraising.

The Board are continuously trying to improve our programme – but with anything new, there will always be hiccups. And although we may not always get it right we do welcome feedback and suggestions for improvement moving forward – this is how we will get strong.

Future Proofing

It is crucial that we have a succession of parents stepping into key roles within the sport. It was disturbing to see how many parents of ex-swimmers are called on to enable our events to go ahead, without them we potentially would have had to cancel events. On this note – PLEASE – I urge you, if you have a child that is loving swimming and has a plan to continue with swimming then do take the next step, reach out to one of our Technical Committee -Cath, Rowan, Margaret, Daniel or Annett and get some training to become an official – WE NEED YOU!

I was also a little saddened on occasion to hear negative comments about the Board (only a couple to be fair), but when I look at the Board Members we have I can tell you that each and every one of these people are on the Board because they care and want to help grow and strengthen swimming within the region. If you do have an opinion, or ideas on how things could work better, then this tells me that you care and if you do care then please put that energy into a constructive, positive and meaningful way – JOIN THE BOARD – for us to be a strong region we need support from across the region and we need to work together as a region.

The Board Members are on a 3 Year rotation, so each year we have 2 members roll off which enables 2 new members to roll on – this is how the board is kept current, with a continuous stream of new people and fresh ideas and yet, surprisingly each year our Board struggles to find anyone that wants to take on this role – crucially, if we want to stay under the Swimming Taranaki umbrella – we need to have an active Board – if we don't, somewhere along the line, we could lose our Regional body and be forced to join another region – do we want this to happen?

To Finish

I have another year on the Board and am really looking forward to the new season, hopefully we have most of the Covid restrictions behind us so we can enjoy a full and busy swimming season again. I look forward to attending our local events and supporting our clubs and swimmers over the coming year alongside you all.

See you Pool Side!

Statement of Accounting Policies

Swimming Taranaki Inc

For the year ended 30 June 2022

Basis of Preparation

Swimming Taranaki is an Incorporated Society. The entity has elected to apply PBE SFR-A (NFP) Public Benefit Entity Simple Format Reporting - Accrual (Not-For-Profit) on the basis that it does not have public accountability and has total annual operating expenses equal to or less than \$2,000,000. All transactions in the Performance Report are reported using the accrual basis of accounting. The Performance Report is prepared under the assumption that the entity will continue to operate in the foreseeable future.

Goods and Services Tax (GST)

The entity is registered for GST. All amounts are stated exclusive of goods and services tax (GST) except for accounts payable and accounts receivable which are stated inclusive of GST.

Revenue

Revenue is recognised to the extent that it is probable that the economic benefit will flow to the society and revenue can be reliably measured. Revenue is measured at the fair value of the consideration received. The following specific recognition criteria must be met before revenue is recognised. **Donations, fundraising and other similar revenue**

Donations are recognised as revenue upon receipt.

Grant revenue includes grants given by other charitable organisations, philanthropic organisations and businesses. Grant revenue is recognised when the conditions attached to the grant has been complied with. Where there are unfilled conditions attaching to the grant, the amount relating to the unfulfilled condition is recognised as a liability and released to income as the conditions are fulfilled.

Revenue from legacies and estates that satisfies the definition of an asset is recognised as revenue when it is probable that future economic benefits or service potential will flow to the entity, and the fair value can be measured reliably.

Interest Revenue

Interest revenue is recognised as it accrues, using the effective interest method.

Income Tax

Swimming Taranaki Inc is wholly exempt from New Zealand income tax having fully complied with all statutory conditions for these exemptions.

Bank Accounts and Cash

Bank accounts and cash in the Statement of Cash Flows comprise cash balances and bank balances (including short term deposits) with original maturities of 90 days or less.

Receivables

Receivables are stated at their estimated realisable value. Bad debts are written off in the year in which they are identified.

Plant, Property and Equipment

Plant, property and equipment are measured at cost less accumulated depreciation and any impairment losses. Cost included expenditure that is directly attributable to the acquisition of the asset.

Going Concern

These financial statements have been prepared on the basis that the trust is a going concern.

Changes in Accounting Policies

There have been no changes in accounting policies during the financial year. Policies have been applied on a consistent basis with those of the previous reporting period.

INDEPENDENT ASSURANCE PRACTITIONER'S REVIEW REPORT

To the Committee of the Swimming Taranaki Inc

Report on the Performance Report

We have reviewed the accompanying performance report of the Swimming Taranaki Inc which comprise the statement of financial position as at 30 June 2022 and the statement of financial performance, statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

The Committee's Responsibility for the Financial Statements

The committee are responsible for the preparation and fair presentation of these financial statements in accordance with Public Benefit Entity Simple Format Reporting – Accrual, and for such internal control as the committee determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Other information

The committee are responsible on behalf of the organisation for the other information. The other information comprises the statement of service performance and entity information but does not include the financial statements and our review report thereon.

Our opinion on the performance report does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our review of the performance report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the review or otherwise appears to be materially misstated. If based, on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Assurance Practitioner's Responsibility

Our responsibility is to express a conclusion on the accompanying financial statements. We conducted our review in accordance with International Standard on Review Engagements (New Zealand) (ISRE (NZ)) 2400, Review of Historical Financial Statements Performed by an Assurance Practitioner who is not the Auditor of the Entity. ISRE (NZ) 2400 requires us to conclude whether anything has come to our attention that causes us to believe that the financial statements, taken as a whole, are not prepared in all material respects in accordance with the applicable financial reporting framework. This Standard also requires us to comply with relevant ethical requirements.

A review of financial statements in accordance with ISRE (NZ) 2400 is a limited assurance engagement. The assurance practitioner performs procedures, primarily consisting of making enquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with International Standards on Auditing (New Zealand). Accordingly, we do not express an audit opinion on these financial statements.

Other than in our capacity as assurance practitioner we have no relationship with, or interests in, Swimming Taranaki Inc.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that these financial statements do not present fairly, in all material respects, (or do not give a true and fair view of) the financial position of the Swimming Taranaki Inc as at 30 June 2022 and its financial performance and cash flows for the year then ended, in accordance with the Public Benefit Entity Simple Format Reporting – Accrual.

Taranaki 12 & Under Championship

Due to the implications of Covid 19, our annual championships were shifted to late summer. This was the first year that we also included a hit out meet for our thirteen and over age group at this event due to lack of racing opportunities.

This year saw a small decrease in our junior athlete's numbers by 12 however by including the older age group (32 swimmers) saw a slight increase to overall numbers.

The theme for session three was 'Jungle Safari' and some great costumes were displayed. Thanks to City Care Pharmacy for donating prizes.

Special thanks must go to our team of officials. Swimming in our region depends on the time and support of these volunteers, we couldn't do this without you all!

Technical Committee

With on going disruptions to Swimming, there have not been many assessments with people moving on from timekeeping to further technical qualifications. Sadly Swimming Taranaki bade farewell to a recently qualified Referee as a job opportunity took the family overseas.

Over the last season we welcomed Tonya Callebaut as a Regional Starter, Stacey Kennard as a Regional Inspector of Turns and both Storm Newland and Lani Gwiadzinski to roles of Recording.

The upcoming season looks really promising as a number of parents have indicated their willingness to train as Inspector of Turns, Starting and Judge of Stroke which is exciting for the regional as a whole. Members of the Technical Committee are always willing to share our knowledge and to assist trainees across all roles from timekeeping to referee.

Thank you to Technical Members Daniel Hancock, Rowan Williams, Margaret Higgison, Annett Zabel and Tracey Knofflock for all the extras you do at Swim Meets and also behind the scenes.

Cath Tippett

Chair

Taranaki Technical Committee.

MEMBER CLUB REPORTS

Presidents Report 2021-2022

Well another year with some ups and downs, but it looks like things are getting into the rhythm of a new normal.

Financially the club is still in a good position but funds have reduced lately due to Covid restrictions in place and limiting some of the activities that we normally do. The organisations that provide us funding actually put a stop to funding as they were not getting money in due to Covid restrictions in place.

Some places that normally help with fundraisers, for example Andersons Pies could'nt offer this service due to staff shortages with people isolating because of Covid.

With being unable to find funding from external organisations Swimming Taranaki stepped up and provided funding for New Zealand Age Group Swimming Championships and New Zealand Swimming Championships competitions. The club topped this up to keep the cost to the swimmer down. Without this help we feel that some of our swimmers would not have been able to afford to attend these competitions.

We have had a successful year of swimming, when events weren't cancelled, with a few Aquabladz swimmers breaking Swimming Taranaki records for the July 21 to June 22 swimming season.

Our clubs nights, which include Highlands, Okato and Waitara, are continuing to be a success. We are getting around 35 – 50 swimmers taking part. Thanks to Fiona and Carol (BWF coaches) for encouraging swimmers that normally swim in Town to make the trip to Bell Block for this event.

The last 12 months of learn to swim has seen a mixture of ups and downs due to Covid and the ongoing rounds of illness hitting the children. BWF Clients have been very loyal to the programme. Due to disruptions the opportunity to have make up lessons was well received by all. We have seen swimmers attending club nights and through this positive experience, there will be a few new members to the club over the next few months. (From Donna Bouzaid)

Swimming New Zealand changed their guidelines on qualifications for meets by introducing Designated and Development meets. There are specific rules around these meets.

Development meets require a lot less officials and the times recorded can be used for local and regional meets. This has helped tremendously in alleviating pressure on local Taranaki events to provide the full set of officials for a local meet.

Designated meets however still require the full set of officials as these times can be used for qualifying at National meets.

Regional Events and National Events attended :-

Bay Of Plenty Showdown saw 38 swimmers attend.

New Zealand Short Course Swimming Championships was attended by 11 swimmers.

Wellington 13/0 was attended by 19 swimmers. We had some Taranaki records achieved:-

Boys 12 - 13 Years 50m Breastroke	33.31	Raiden Pinto
Boys 14 - 15 Years 50m Freestyle	23.61	Callum Gordon
50m Butterfly	26.49	Callum Gordon
50m Butterfly	26.36	Callum Gordon

Girls 14 - 15 Years 50m Freestyle 27.85 Bella Wansbrough
200m Freestyle 2:05.70 Bella Wansbrough
400m Freestyle 4:24.57 Bella Wansbrough

New Zealand Age Group Swimming Championships had 9 swimmers attend, Chris Callebaut, Nathan Whitehead, McKenzie Rowlands, Monique Weiruszowski, Bella Wansbrough, Daniel Callebaut, Tara Shotter, Liam Thompson, Emma North.

New Zealand Swimming Championships were attended by 6 swimmers, Zac Reid, Sasha Reid, Lucy North, Emma North, Oliver Doole, Bella Wansbrough. Some more Taranaki records achieved:-

Girls 14 - 15 Years 50m Freestyle 27.71 Bella Wansbrough
800m Freestyle 9:13.49 Bella Wansbrough

2021 NZ Secondary School Swimming Championship saw Callum Gordon achieve an NZ Record for Boys 14 -15 Years 50m Freestyle with a time of 23.77

International Representation

Zac Reid and Sue Southgate attended the Tokyo 2021 Olympics. Zac swam in the 800 Free winning his heat and achieved a NZ record and finally coming 18th out of 34 in this event. He also swam in the Men's 400 free where he came 6th in his heat.

Thanks to all the parents who help at swimming events and assisting the club where possible.

Thanks to Wendy Reid who have been organising the Chicken Manure fundraiser each year for a few years now.

Thanks to my fellow committee members, Tony Callebaut, Frank Hagenson, Claire Rowlands, Ali Hickford, Annie Johnson and Jason Pinto, Sue Southgate and Donna Bouzaid. Also thanks to the extended committee members, Rowan Williams, Cath Tippet, and Sonia O'Connell.

Thanks to our officials that help at meets, Trace Knofflock Paula Young, Brendon Rowland, Stacey Kennard, Sapphire Tippet, Alison Gadsby, Jason Pinto, Sean Donovan, Sarah Landers.

A special mention to all our sponsors who assist with funding to get the swimmers to regional and national meets.

I would like to take this opportunity to say thank you to all that have helped me in my role as club president, it has been an interesting experience with some challenging times. I will still be involved with the club but as the website administrator to help the club keep up with the changing times of technology and keeping the information relevant.

PRESIDENTS REPORT 2021/22

Another season with disruptions and having to adapt to the changing environment we now live in.

It has been a difficult year getting the whole committee together due to uncertainty of the pending merger of the Stratford Swimming club and the Flyers, and the busy schedules of members catching up on havoc Covid has brought upon us. But I would like to thank them for their contributions when needed and the help they have provided during events we have hosted. Being semi computer illiterate, I would like to thank Kayanna for all her funding application work, Amber for her dedication to Club Nights, Gemma our recorder for not being able to say no and find a solution to any problem, Kath for her social media updates, and Lorna and Jenny for treasurer and secretary work, and Fiona and Chris who was always at the meetings when others weren't. I would also like to thank all the parents that have helped at local and regional events and travelled away with the swimmers. It has been one of the easiest years to fill timekeeping slots as the new families have flourished in taking a stopwatch in hand.

Our membership has remained constant this year but have seen an increase in Club Night swimmers who are waiting for the new season to take up competitive swimming, the signs are promising for increased numbers this coming season. Aimee's encouragement to attend club nights seems to be paying off. Once again, I would like to congratulate Anahera for making the Honours Board with another National Title and all our swimmers that attended National meets. They all did themselves and our club proud. I would like to acknowledge those that have finished with swimming this year, your commitment to the sport and to our club has been appreciated.

As briefly mentioned, Club Nights attendance has been strong this year. A great bunch of enthusiastic swimmers are moving their way from participating in a relaxed club night environment to competitive swimming and taking it all in their stride. Once again thank you Amber for setting up club nights and inputting all the results. It has made working out trophy results very easy at the end of the season. It has been great getting all the parent involvement as well and has helped with confidence to time keep at carnivals.

I would like to thank Swimming Taranaki for all their assistance throughout the season whether it be financial or passing on relevant information. Most swimmers are unappreciative or maybe just unaware of what goes on behind the scenes, but the tireless work that you put in makes it easier for the swimmers to concentrate on competing.

As a club we had squad swimmers attend BOP and CNI, our younger swimmers went to Junior Festival and our seniors attended Wellington and Waikato Long Course Champs. Nationally we had swimmers attend NZ Short Course champs, NZ Opens, NAGS and DIV II. We had some exceptional results at all these meets including PB's and podium finishes.

This season we have had many Stratford records and Taranaki records broken. It is good to see that our current bunch can match it with some of our previous swimmers who were successful during their swimmer careers. One area where we have let ourselves down is finding more parents that wish to help officiate. We always need timekeepers but IOT's JOS and starters are also needed. It would be good to get a few more interested in furthering their involvement as we are relying on officials who do not have swimmers competing anymore.

This year Taranaki Masters Games did not take place, so we only had Turnbull Cup to organise outside of carnivals and club events. We had a good turnout considering Covid placed the event in doubt as crowds were only allowed at the final hurdle, and we had considered cancelling.

I would like to thank all of those that have supported the club both financially and with their own personal time. This includes the TET for contributions to our swimming camps, and to NZCT, and TSB that have helped fund the clubs travelling teams. Also Swimming Taranaki for their support and financial assistance of our representative swimmers. I would also like to thank all officials and parents from visiting clubs that have helped during our carnivals. Without your help we would quite often not be able to have an approved meet.

I would like to thank all our swimmers for the way that they have represented us both regionally and nationally. The way you conduct yourselves reflects on the whole club, and it is of great relief that I have not had to deal with any major issues or misbehaviour.

On a final note, I would like to thank all the parents for their dedication to getting swimmers to training and carnivals and encourage them to continue to assist with the organisation of our sport. New ideas and insights help with the running of our club and improve the competitiveness of our swimmers.

Chairperson's Report 2021/22

A meeting was held on the 28th October 2021 to organise our upcoming season. We focused on what we "could do" rather than what we "could not do" within the parameters of the restrictions and limitations the Covid 19 settings brought. There was a limited number of people allowed into the grounds of the pool. Vaccine Passes were necessary for those over 12yrs, and the changing rooms were not to be used. We decided that we could offer a partial Learn to Swim programme for 8 yr olds and above (as they did not require a parent in the grounds) and for the level Advanced Beginners and above. Registrations were very few, 43. Fourteen of those children took part in our weekly learn to swim programme with low ratios for groups. Their progress was very good. The Squad groups continued to train both at the Okato Pools and at the Aquatic Centre with Fiona Lacey. A Saturday or Sunday morning session was also very beneficial to our Squad swimmers.

Our Club attended various meets such as the Summer Series, which was also hindered by compliance to the Covid restrictions. A group of 17 swimmers representing Okato took part in the Taranaki Champs in April. This was the first time we had participated since 2016. All swimmers gained PBs and some came away with numerous medals. This was a first time for all our Squad Swimmers, and it highlights the quality coaching and encouragement they receive from Fiona. We were extremely proud of every one of our team who gave their all. We are extremely grateful for Fiona's tireless input.

Training continued into the winter months at the Aquatic Centre, and again a group representing Okato entered the July Champs. Winter illnesses did affect the numbers participating in this event. At the end of the summer season, we were able to hold our Club Champs, and the distance swims. It was very well attended. Many records were broken, new records formed. Again, this is indicative of the hard work and enthusiasm of our young swimmers and their Coach.

Prizegiving was held on the 22 May. Some new trophies were bought and awarded, as well as some older ones brought back into use after a few years. Sadly, in March we lost a very special lady. Suzanne Frazer was member of our club for many years and an extremely valued committee member where she held the role of Secretary for a time. She was Mum to one of our talented young swimmers, Danu. The sudden loss of Suzanne shocked and saddened us deeply. Her beautiful positive energy, amazing organisational skills, friendly chats, and huge smile were always so uplifting. She is sorely missed.

After 5 years in the role of Chairperson for our wonderful little club, it is time for me to step aside now to focus on new challenges. It has been very rewarding and satisfying to have been involved in Okato Swimming Club over the years, and the support from our dedicated committee and families and community have made it a very positive experience. I'd like to sincerely thank everyone who has played a part and contributed their time, knowledge, and skills to the Okato Swimming Club. Above all else it is immensely heartening to see the children of The Coast; learn to swim, improve, strive, commit, compete, surprise themselves (and others) and punch above their weight as they represent a Little Club with a Big Heart – Okato Swimming Club.
