S. O’Connell/B. Low

CARRIED

MATTERS ARISING

- a) Claire thanked Kathy Varley for preparing our annual accounts and John Owen for reviewing them.
- b) Pleased to see a positive financial gain this year.
- c) It was noted that even though we had less competitive swimmers for the 2014-15 season, the affiliation fees were higher than the previous season. This was due to late payments of affiliation fees from the 2013-14 season.
- d) The income and expenses for 2014-15 were quite a bit less than for 2013-14. This was because in 2103-14 the Wellington Champs were put through Swimming Taranaki accounts but not in 20104-15, there were more swimmers sent to the Junior Nationals in 2013-14 therefore more expenses and income occurred. There was also a slight increase in funding received for swim meets that were attended by squads separately.

Move that The Financial Statements for year ended 30 April 2015 be received and adopted.

D. Salisbury/D. Taylor

Entity information

Legal Name of entity:	Swimming Taranaki Incorporated
Type of entity:	Incorporated society
Incorporation number:	1232133
IRD number:	55-072-086
Purpose:	To promote, foster and encourage swimming within Taranaki, including water safety, recreation, education and competition for the benefit of everyone in our province.
Structure:	Taranaki Swimming Inc is governed by a Board of six members and has one paid employee. It is one of 13 regional bodies under Swimming New Zealand. Swimming Taranaki Inc supports eight swimming clubs and their competitive swimmers within its region.
Main source of cash and resources:	Swimming Taranaki Inc activities are funded by grants, sponsorship, swimmer contributions, entrance fees, affiliation fees and interest. Grants fund competitive swimmers attending national and representative meets and administrator wages. Grants and sponsorship also assist in the funding of the Flanagan Cup event and local camps and events. Competitive swimmers pay affiliation fees to their clubs which are apportioned between the club, regional and national bodies. Competitive swimmers contribute toward the cost of events they are involved in but Swimming Taranaki Inc aims to keep these costs low so that swimmers from all socio-economic levels can be involved. Entrance fees are charged for swimming events which may also have swimmers outside the region attend.
Main methods used by the entity to raise funds:	Applying for grants from funding organisations that support the aims and activities of Swimming Taranaki Inc.
Entity's reliance on volunteers and donated goods and services:	Swimming Taranaki Inc relies on volunteers for governance and running events and camps. Volunteers consist mainly of caregivers and those with a passion to see the sport thrive. There are donations of prizes and incidental items such as food.
Postal address:	34 Kelly Street, Inglewood, Taranaki 3440

Review assignment report

To the Management Committee of Swimming Taranaki Inc and the readers of these annual accounts.

I have reviewed the financial statements on pages 2 to 7 of the annual report in accordance with generally accepted auditing standards. I have not noted anything of concern.

Therefore I have concluded that the financial statements represent a true and fair view of the financial activities of Swimming Taranaki Inc for the year ending 30 April 2016 and its financial position at that date.

John E Owen
Chartered Accountant

New Plymouth

Statement of accounting policies

for the year ended 30 April 2016

Basis of preparation

Swimming Taranaki Inc has elected to apply PBE SFR-A (NFP) Public Benefit Entity Simple Format Reporting - Accrual (Not-For-Profit) on the basis that it does not have public accountability and has total annual expenses of equal to or less than \$2,000,000. All transactions in the performance report are reported using the accrual basis of accounting. The performance report is prepared under the assumption that the entity will continue to operate in the foreseeable future.

Goods and Services Tax

All amounts are recorded exclusive of GST, except accounts receivable and accounts payable which are stated inclusive of GST.

Income tax

Taranaki Swimming Inc is wholly exempt from New Zealand income tax having fully complied with all statutory conditions for these exemptions.

Bank accounts and cash

Bank accounts and cash in the statement of cashflows comprise cash balances and bank balances (including short term deposits) with original maturities of 90 days or less.

Accounts receivable

Accounts receivable are stated at net realisable value.

Investments

Investments are stated at cost.

It is Swimming Taranaki Inc policy to maintain minimum term deposits of \$55,000. Interest received on deposits is to be used for the betterment of swimming in Taranaki.

Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation.

Depreciation is calculated using rates allowed by Inland Revenue. These rates are considered appropriate.

Changes in accounting policies

Swimming Taranaki Inc has transitioned to reporting under PBE SFR-A (NFP) Public Benefit Entity Simple Format Reporting - Accrual (Not-For-Profit) from 1 May 2015. There have been no other changes in accounting policies during the financial year. (Last year: nil)

SWIMMING TARANAKI CHAIRPERSON'S REPORT 2015 – 2016

I have great pleasure in presenting the Annual Report for Swimming Taranaki. This 2015 - 2016 season has been outstanding, proving to be full and busy with success across many levels.

This season saw a small rise in membership, increasing to 725, the increase has come with new swimmers joining as club members, as the competitive members have seen a decrease. Even with a decrease in the competitive numbers, this has not impacted on what these swimmers have achieved. Of the 157 competitive members, we have seen 93 swimmers attend 7 National events achieving some top results. The medal count from these National events have included 14 gold, 10 silver and 19 bronze, along with many Taranaki Records and New Zealand records.

A further breakdown of all results can be viewed further on in this report, however, I would like to mention some outstanding achievement by some swimmers. Aquablack Charlotte Webby has had a huge year in her chosen field of Open Water Swimming, competing in the World cup races in Hungary and Portugal and then to the World Championships in Kazan, Russia; Charlotte then qualified at the Australian National Championships to compete in the Olympic Marathon Qualifier Portugal where she placed 31st and earning the invitational Oceania position. Best wishes to Charlotte as she awaits the SNZ selectors decision to nominate her forward to NZOC for the Rio 2016 Olympic Games.

After competing and medalling at NZ Opens in March this year Julian Weir made the NZ team to Oceania Championships in Fiji in June, he will be joined by new Aquablack NP swimmer Troy Balvert, who has recently transferred to the club.

Eliot Landon Moore gained NZ team selection to the Youth Commonwealth Games, and also the NZ Age Team for the State Teams in September – both of these teams were pinnacle events for Age Group swimmers. Eliot also won the emerging swimmer for Central Swimming Zone at the SNZ awards and has qualified for Junior Pan Pacific Games in August 2016.

Zac Reid was named in the NZ Age Group team to the State Teams Championship and also to the Australian Age Group Championship swimming fast with top results.

Josh Gilbert has had a fantastic season, also being on the NZ Age Group team to the Australian Age Group Championships, along with breaking many age group NZ records this season. Well done to you all – fantastic achievements both nationally and internationally.

Congratulations and thank you to the dedicated coaches in Taranaki, your contributions and continued support of swimming are always welcomed and appreciated. Swimmers cannot reach their goals without you. Aimee Woodhead and Sue Southgate have had coach selections to NZ teams this season, which provides an incredible amount of further development for them, which then enables them to give back to their swimmers for the future. At the recent NZSCAT conference Sue and Stan Teokotai-White were awarded with Provincial Coaches of the Year awards and Sue received the Open Water Coach of the Year Award. Taranaki's own awards presentation afternoon held recently awarded service awards to Kevin Mace and Diane Cooper for their service to their clubs and the region; the coveted Gayton Trophy presented to Sonia O'Connell for her outstanding loyalty to swimming, along with the many other cups and trophies presented to swimmers and coaches.

Camps in Taranaki are still continuing positively. This season the senior, intermediate and junior camp attendance was attended by 97 swimmers with Stan, Aimee, Robbie Low, Clive Wheeler and Carol Powell all providing a great mix of coaching professionalism. The venue of the recently refurbished Stratford pool and St Mary' accommodation are ideal and the region will continue to use these good facilities.

The SNZ initiated camps for Zonal Juniors and the Top Age Group swimmers had 7 swimmers selected to attend. These camps provide further opportunities and experiences among their peers outside of the region.

Our commitment to the Central Swimming zone continues into another year and this platform offers several pathways for our swimmers and coaches. Swimmers have the opportunity to be selected to Tri-Series, Victorian Age & Open Championships in Melbourne and Queensland Championships, along with the NZ hosted Zonal Meet. The 13 & over champs in summer and now in winter are permanent fixtures on the calendar. Taranaki's own championship events of Winter Champs, 12 & Under Champs and Club Relays have been supported well and it is great to see swimmers gaining new times, having fun especially at the Taranaki Club Relay afternoon, where clubs go head to head to vie for the 19 trophies up for grabs.

The 100th celebration of The Flannagan Cup was a great day and well supported by many past and present competitors. A hardy group of past swimmers who had supported the cup well over the years swam the original course from East End Beach into the beach at Ngamotu. For the first time the event had a scratch start, with the handicapping system used for the last 99 years put into mothballs. It was fantastic to award Charlotte Webby with first place, who swam to a good lead in front of second and third place getters Julian Weir and Zac Reid. The day finished with a luncheon, speeches and cutting of the cake to celebrate a true milestone of achievements. A big thankyou to Kevin Mace, Craig Dent, Julie Owen, George Sibsten, Denise Cadman and Sharon Wilson for their dedication in delivering this memorable occasion.

This season the annual audited accounts post a loss of \$4,510, although this is mainly due to using the Flannagan Cup term deposit that was set aside from the previous year's income, and also providing more financial assistance towards championships events and camps. A lot of what we are able to achieve for swimmers comes down to receiving funding from NZCT, Lions Foundation, Southern Trust, TET, TSB Community Trust, Pelorus and The Racing Board. It is with great appreciation and thanks of their generous support.

To conclude, I would like to say how proud I am of swimming in Taranaki, to all swimmers, coaches, parents, volunteers, officials, supporters. You all give up your valuable free time to ensure swimming continues each year. Please know your time is appreciated and respected by everyone in the sport and know that it ensures our swimmers are the best they can be. I offer my thanks to you all. Thank you to the board of Taranaki – as a group we endeavour to make the right decisions for our organisation; a special thankyou to Lisa Cooper who does an outstanding job ensuring we are on track. My thanks to Sonia O'Connell, who is standing down from the board, Sonia has fulfilled many roles, always giving 110% - your foresight and sincerity is motivating. As I also stand down from my position on the board, I wish Taranaki the best for the new season and continued success.

CONVENER OF SELECTORS 2015-16 REPORT

This season marked the end of the annual 6 way meet with no competition being held, with no date being acceptable to the participating regions unfortunately.

Our first Taranaki initiatives were our annual camps held in Stratford over the July school holidays for the senior and intermediate swimmers. Once again the camp was run by our local coaches with both Donna and Clive keeping a watching brief. Thanks to you both for your input. These camps are an invaluable tool in adding skills and fitness to our best swimmers and also a great way to build "Team Taranaki".

During the winter Charlotte Webby and coach Sue Southgate were offshore for 9 weeks, competing and training for the World Championships in Kazan, Russia. Charlotte placed 19th in the Hungary World Cup race and 11th in Setubal, Portugal, World Cup. She then placed 45th at worlds. This was Charlotte's second year in the Aquablacks.

Charlotte has now qualified through her efforts at the Australian Nationals, to compete in the Olympic Marathon Qualifier in Portugal in June 2016. Go Charlotte!

The national championships encompassing August's SC champs, Open water champs in January, Junior Nationals in February, Open and Olympic trials in early April and finally Nags in late April saw large teams attend with many Taranaki records broken, finals reached and medals won. Again it was pleasing to see Taranaki teams winning medals in the 15/U relays section in the boys. Josh Gilbert had an outstanding season breaking several New Zealand records in both breaststroke and IM events. Well done Josh!

Eliot Lundon Moore competed at the Commonwealth Youth games placing 6th in the 200m Breast and 7th in the 100m Breast. He was subsequently selected by SNZ as the emerging swimmer for the Central Swimming Zone for 2015.

Zac Reid and Eliot were selected for the State Teams event, Canberra, competing against all the Australian States, Zac placing 3rd in the 1500m free. Well done boys.

Josh Gilbert and Zac Reid were selected in the NZ Team to the Australian Age groups in April. Both boys winning medals in their favoured events. This is one of the toughest Age group meets in the world and to win medals is outstanding. Aimee Woodhead was selected as a Team Coach for this event, her first NZ team, congratulations Aimee.

At the NZ Open Championships. Julian Weir gained qualification onto the 2016 Oceania Championships Team, his first Open team.

In conclusion a wonderful year for our Taranaki swimmers and coaches, keep up the great work everyone!

Total	1495	107	1338	174	1487	403

Taranaki SC Winter Championships

This year there were 112 competitors from Taranaki clubs compete, and 4 competitors from three clubs from outside of our region.

Our Winter Champs were held early this year due to the forthcoming closure of the Stratford Pool and the need to fit in with other swim meets around the country. While total entries were down again from last year, it can be noted that locally while we had only 4 less swimmers competing the number of events they entered into where up.

We had a new way of entering the events through the SNZ Database so I would like to extend my thanks to the clubs for their patience while we worked through a few issues and learning of the new system and its processes. Thank you also to the technical committee for your help with organising the officials and everyone else that helped during the meet - without your assistance the championships would not be possible.

Taranaki 12yrs & Under Summer Championships

We had 89 enthusiastic competitors this year, with a total of 634 entries. The theme for this year was "Superheroes" with plenty of prizes on offer. It was encouraging to see numbers increase from previous years. Thank you to the sub-committee who organised the format for the three sessions. There were no Taranaki Records broken but plenty of personal bests gained. The Family Relay again provided great entertainment and was won by the Moles Family.

The Technical Committee worked tirelessly prior to the meet to ensure that we had enough officials to provide an 'approved' meet for our junior competitors, without the appropriate level of officials their times would not be accepted as qualifying times. The majority of technical officials did not have swimmers at the meet which has highlighted a need to encourage the parents of our younger swimmers to commit to training as a technical official. If this is not within their comfort zone then we always require people to record, announce, prepare food and clean up. We had a few older swimmers turn up to assist and this was very much appreciated as was the work put in by some parents that worked throughout all of the three sessions to make the meet as successful as it was - a HUGE thank you from Swimming Taranaki to all of our volunteers.

I felt encouraged and motivated as I watched Taranaki's future swimmers enjoying themselves and working so hard to do their best, we all need to keep up the great work to ensure this continues.

Taranaki LC Club Relays

We had 70 teams enter into the Club Relays for 2016 from the Aquabladz, Stratford, Okato and Inglewood Clubs. We had nine records broken and many happy swimmers walking around having received their first ever Taranaki medal which was great to see. Thank you to all the many volunteers, some of who had to stand or sit in the incredibly hot sun for over two hours. Thank you also to our sponsors Todd Energy and TAG Oil who sponsored the event.

Swimming Taranaki Board

I would like to take this opportunity to thank the Swimming Taranaki Board for their time and effort that they have put into swimming throughout the year. Providing regional swim meets and events for our swimmers is only a small part of what gets done, there are many things going on in the background that ensure our swimmers are able to jump in the pool and give it their best. We have two Board members leaving us this year, Claire Weir and Sonia O'Connell who have been invaluable to us, with their knowledge of swimming and tireless hard work that they put in to making sure that swimming in Taranaki continues to grow and thrive. Thank you both for everything.

Technical Advisory Committee Report

On behalf of the Technical committee I submit this report and we look back at the last 12 months of swimming in the region - what is working and what is not.

Firstly, congratulations must be extended to all that have gained qualifications regionally and nationally during the year, and to the parents that have stepped forward to gain their qualification as timekeepers as their first rung on the technical ladder. Thanks to everyone who has assisted throughout the region at various meets and to those who have officiated at meets outside of the region, including national meets. Without your ongoing assistance, swimmers cannot gain "recognised times" for the SNZ Database.

All our Regional Championships and local carnivals have run well, BUT it is getting harder every year to get qualified Officials to attend and assist at these meets. We have tried different ways of getting KEY OFFICIALS to step forward to commit to assisting at meets, but the response is very slow and this does not help with the preliminary organisation of a meet. Taranaki is not alone in this – but the more we can confirm before the meet, the less stress is placed on the organising committees to ensure they can give the swimmers the results that they need at the end of the day.

As you all know, under the new SNZ regime, the number of officials required to run a meet of any kind has changed and it is getting very difficult for clubs to fill in all key positions for their own meets, without assistance from other Clubs. For the key officials, it is not only the physical work pool side that needs to be up to scratch, but also the Club's responsibility to ensure that officials (above Timekeepers) do need to be fully paid "Voting Members" of Swim New Zealand. Clubs do need to encourage more members to step up and do key Official jobs as we are all complacent in relying on our current team of key officials.

It is accepted that it takes time for officials to grow into the sport and understand the requirements of competitive swimming, but when you review the list of current key officials, a number of those no longer have children swimming and the time is coming when they may want to pursue other interests, and if we don't bring in new blood where does that put us!

All Clubs should work to getting the following Key Officials if possible; we know it is difficult in the smaller Clubs.

To run a meet; Referee (1 or 2), Starter (1), JOS's (2), IOT's (4) it maybe more depending on the size of the pool.

If we are really here for the benefit of our swimmers in the region we must all work together so that we have Key Officials at all events.

We have the Winter Champs coming up and we put a note out from the Board for names for Officials for this meet and it has fallen on deaf ears, which was disappointing. So we are going back to what we have done in the past, and the Key Official list will be drawn up and sent out, so by the AGM you will know what your job is and by the same time we will know if you are not available.

This leads us into the next concern for the technical committee - the summer champs. Last year we struggled to get the required number of officials and we were still looking for them up to the first session, it is going to be harder. As a 12 & under meet, we know a lot of our officials have children in the older age groups so we are asking now that people please make themselves available to help the younger swimmers reach their dreams at this meet.

The Technical Committee has a database of all Officials in Taranaki - we are now wanting to bring this up to date as best as we can and in the near future we intend to send a copy of what we have for all clubs to look at and alter where required and send back to us, this will hopefully help us a lot when setting up key positions from then on.

Since doing this report we must congratulate Cath Tippett on her selection as a Key Official at the NZ Secondary School Champs and NZ Short Course Champs in the position of Referee, JOS and IOT. She is always there in the back ground helping the committee.

My thanks go out to Margaret & Cath for their support during a trying season; I much appreciate your help.

Robbie Low
Technical.

RECORDS OFFICER REPORT 2015 - 2016

This year 65 records have been set, 32 short course and 33 long course. 47 set by Individuals and 18 relays. Twelve different swimmers from two of the eight active clubs in Taranaki contributed to the individual total. Two of these swimmers had their first ever individual record.

Team Managers: Lisa Cooper, Sonya Drummond, Alison Gadsby, Claire Weir, Deborah Taylor

The 25 members of this Taranaki team consisted of swimmers from the Aquabladz club (17) and Stratford club (8). Squads travelled to Auckland in mini vans and stayed at their chosen motels. The squads came together at the pool and supported each other as a team.

Overall this was a very successful meet for Taranaki with 16 medals won, one NZ record broken and 16 Taranaki records broken. There were an impressive amount of personal best times achieved during the meet which proved the effort and dedication that the swimmers have been putting in to their training and during the recent swim camps they attended in July.

Club Points

There were 89 clubs in attendance at the NZSC Championships with 660 swimmers.

Aquabladz finished in **10th place with 963 points**

Stratford finished in **26th place with 440 points**

Attending this swim meet as Team Manager was an invaluable experience for myself, it has enabled me to see how hard everyone works to make it a smooth running meet for the team and to keep the swimmers well fed and rested. Thank you to Claire and Alison for guiding me through the process and covering for me when I couldn't be there. The work put in by all involved is very impressive and the end results are well deserved. The swimmers were well behaved and a credit to Taranaki and their parents. I am thankful for the opportunity to be involved.

I would also like to thank the New Zealand Racing Board who provided funding towards the cost of transportation and accommodation. This was hugely appreciated and goes a long way to assist with Taranaki swimmers attending national swim championships.

General comments

All of the team (except Erin Metcalfe who joined up with the team in Auckland) travelled by van leaving on the Thursday morning around 7.30am. We made two stops, the second being in Hamilton at The Base so the kids could have their lunch and stretch their legs, from there it was straight through to the team accommodation at the Hobson Motor Inn. We then headed to the pool for a swim session and to get a layout of the land.

On Friday morning we headed out to Muriwai Beach to get some fresh air and check out the Gannet colony before heading back for lunch and a rest before heading to the first session.

On the final day we finished around 11.00am and made our way back to Hamilton where we ate pizza by the lake.

The team meals were all well received with a good variety and all the kids had plenty to choose from. Shelley and Carolyn did an excellent job, and it was one thing I didn't have to worry about. The swimmers were exceptionally well behaved both poolside and in general, I was proud to manage such a good group of kids.

A huge thank you, from the team and their families, goes to the Pelorus Trust who provided financial assistance towards paying for the team transport and accommodation, this is very much appreciated by us all.

NZ DIV II Competition

9th – 12th March 2016

Venue: Splash Palace, Invercargill.

Team Accommodation: Admiral Court Motor Inn

Taranaki Team: Jasmine Gibbon, Bayley Knofflock, Luca Zabel, Orion McGeoch (Stratford). Katie Sinclair, Cormach Hughson-How (Opunake). Nikita MacDonald (Hawera). Stephanie Lawrence, Joe Collins, Adele Besseling, Sophia Taylor (Aquabladz)

Coach: Aimee Woodhead, Stan Teokotai-White, Robbie Low

Team Manager: Monique Sinclair

Chaperones/Cooks: Phillipa MacDonald

The team made their way to Invercargill on three different flights, coaches, chaperone and Team Manager amongst them. After arriving in Invercargill the hire vehicle transport was collected and the team gathered at the accommodation which was excellent being spacious, warm and dry. The kitchen facilities were great for preparing and cooking meals for the group and the location was ideal being close to the pool, airport and supermarket.

Everyone was allocated to their rooms and had some time to settle in before their first training session at the pool in the afternoon. The next morning the team was fed a hearty cooked breakfast and then took a day trip to the Bluff where they visited many sights and had a fun day out. We headed back in time to rest before our afternoon training session.

Swimmers achieved some great results over the week with two silver medals and two bronze medals. There were plenty of personal best times and also a couple of National Age Group qualifying times gained.

The last night was lots of fun for everyone. We had pizza for tea and it was so good to see everyone mingling as one team and getting along. Phillipa did a brilliant job of making sure the team was well fed and content which made everything so much easier for the coaches and myself. To the coaches Aimee, Stan and Robbie, thank you for your guidance and time that you put into the swimmers. We would also like to extend our gratitude to the Southern Trust for their generous funding which greatly assisted with the teams cost of accommodation and vehicle hire while in Invercargill.

NZ Open LC Championships

28th March – 1st April 2016

Venue: Sir Owen Glenn Aquatic Centre

Accommodation: Hobsonville Motor Inn

Taranaki Team Charlotte Webby, Julian Weir,
Eliot Lundon-Moore, Jordan Gadsby, Kaitlyn Tippett,
Matthew Anderson, Troy Balvert (AQN), Brittany Taylor (STFD)

Coach: Sue Southgate

Team Manager: Claire Weir

Team Assistant: Josephine Anderson

The NZ Open Long Course Championships, were held at the new Sir Owen Glenn Aquatic Centre and this was the first long course NZ championship to be staged there. This meet doubled as the selection for Rio Olympic Games and Oceania Championships teams. The meet consisted of a five day programme, in which we saw some great racing.

Taranaki had a good number of swimmers attending Opens this year and these swimmers should be proud of their performances, they produced 5 podium placings, finals, broke Taranaki records and new personal best times. They represented the region and their clubs credibly well. The Aquabladz New Plymouth Club placed 7th with 176 points from 56 clubs attending, and being the first provincial club, along with the Aquabladz 4 x 100 Medley team of Julian Weir, Eliot Lundon-Moore, Matthew Anderson and Troy Balvert breaking the Taranaki record with their 6th placing.

The final sessions were televised live each night on Sky TV, which was great for families and supporters at home. Results from each day were posted to Swimming Taranaki Facebook page daily and then final results were sent to Daily News.

Thank you to Swimming Taranaki for sourcing exceptional funding from Southern Trust to assist these swimmers to the NZ pinnacle event of the year. The funding went toward the swimmers accommodation and was greatly appreciated by their families.

Thank you for the opportunity to be Regional Team Manager once again

Claire Weir

2016 New Zealand Age Group Championships Wellington 18th – 22nd April

Team Manager Report

(absent from the photo - Steven Wereta and Brooke Millar)

Taranaki sent a team of 30 swimmers to the 2016 National Age Group Championships – Wellington.

Swimmers:

The full team attending the Championships are Steven Wereta from Hawera, Joshua Gilbert, Zoe Williamson, Zarhn Collins, Christopher Johnson, Brittany Taylor, Claudia Taylor, Lauree Collins, Brooke Millar, Eleanor Gilbert, Adele O'Byrne from Stratford. Troy Ryan, Corey Pretty-Stone, Nicole Wong, Zac Reid, Sasha Reid, Natalie Walsh, Mathew Anderson, Eliot Landon-Moore, Aimee Daniels, Reebekaa Robinson, Erin Metcalfe, Mathew Meuli, Kaitlyn Tippett, Jenna Barrett, Jordan Gadsby, Jaxon Madden, Tori Cox, Lucy North, Brandi Dakin-Spershott from Aquabladz.

Coaches: Sue Southgate, Stan Teokotai-White & Aimee Woodhead.

Team Managers: Charlotte Webby

Squads made their own way to Wellington, staying in separate accommodation meeting up at the pool for sessions.

Highlights

Total medals = 19 (16 individual and 3 relay)

7 GOLD, 5 SILVER and 7 BRONZE; 3 National Age Group Records and 11 Taranaki Records

Joshua Gilbert - 5 Gold Medals; 3 National Age Group Records in 100m Breast, 50 Breast & 200m Breast

Zac Reid – 1 Gold & 2 Silver Medals

Chris Johnson - 1 Gold & 1 Bronze Medal

Two swimmers gained qualifying times to make the NZ team for the Junior Pan Pacific Championships in August. Zac Reid in the 400m Free and the 1500m Free. Eliot Landon-Moore in the 200m Breast.

Club Points: Aquabladz 13th on 385, Stratford 21st on 311

Overall this was a successful Championship meet for Taranaki, besides the medals won, and records broken, there were many personal best times achieved and all of the competitors can hold their heads up with pride for how they represented their region. It was a rewarding experience for me and a pleasure to be involved with a great bunch of swimmers in a managerial capacity.

A huge thank you to the New Zealand Racing Board for providing generous funding for the team, the funding that we receive goes a long way to making these trips possible for our top swimmers.

Aquabladz NP Swimming Club

creating successful swimmers for life

It has been an exceptional year for Aquabladz New Plymouth Swimming Club in the 2015-2016 season. The club has been led by a great group of swimmers with fantastic support from their families and the Aquabladz committee.

We have had a number of changes on our committee for the 2015/2016 season. A big thank you to departing President Alison Gadsby for a number of years of hard work. She was one of the major contributors leading our club through a big transition phase when we amalgamated with New Plymouth Aquatics in 2013. Alison left our club in good shape and has been instrumental in heading the direction of our club.

Head coach Sue Southgate and Talent ID Coach Stan Teokotai-White have done an exceptional job with the swimmers for the past season. We have had a hugely successful year with our competitive swimmers and four of these have made New Zealand teams. They are Charlotte Webby, Julian Weir, Eliot Lundon-Moore and Zac Reid

Elliott started the 2015 season off with a hiss and a roar when he made the team for the Commonwealth Youth Games in Samoa. Eliot made finals in both his specialty events the 100 and 200 metre breaststroke.

In August New Zealand short-course champs were held at the new Sir Owen Glenn aquatic Centre in Auckland. The team really enjoyed racing at a new pool and there were some very good results from a number of swimmers. In the age group categories Sasha Reid placed third in the 200m IM and Jenna Barrett claimed silver in the 50m backstroke. Eliot continued his strong form where he placed third in the 200m breaststroke, as did Troy Ryan in the same event for the 13 year olds. In the 15 year olds Zac won gold in the 200m freestyle, 400m freestyle and 1500m freestyle. In the open age group Julian Weir performed really well breaking a number of Taranaki records and claimed the bronze medal in the 100m freestyle. He was unlucky on a number of occasions finishing fourth place in three other races. There were also some fantastic results, including medals, in the relays that were a combination of Aquabladz and Stratford swimmers.

As a result of their performances at New Zealand short course Champs Zac and Eliot made the New Zealand Age group team for the Australian State Teams Championships held in Canberra in September 2015. Both Eliot and Zac performed with distinction continuing their development in New Zealand swimming.

Aquabladz then prepared for the major club trip, which is held bi-annually. This was to Melbourne, Australia for the Victorian age group championships in December 2015.

For a number of our younger swimmers this was their first overseas trip and an opportunity for them to see swimming on a larger international scale and experience a different country. The team performed extremely well with a number of swimmers making finals, breaking Taranaki records, recording personal bests and posting qualifying times for national age groups. Four swimmers won medals. Zac with 3 gold medals, Eliot a gold and silver, Sasha silver and Aimee Daniels a bronze.

Next on the list was New Zealand Open Water Championships in Taupo. This was the first meet of 2016 and was the qualifying meet for a number of NZ junior teams and part of the selection process for the Olympic open water nominations. Charlotte Webby continued her strong dominance of New Zealand open water swimming where she won the 10km, which allowed her to race in the Olympic qualifier in Australia. One of the unluckiest swimmers was Natalie Walsh who narrowly missed qualifying for the world junior open water champs. Aimee Daniels continued to show her open water prowess when she won the 5km event for her age. Jordan Gadsby, who is developing into a very good open water swimmer, also made a strong showing.

February saw the National Junior Championships held in Wellington. Emma North swam very strongly and was second in the 200m backstroke. This meet also showcased a number of our younger swimmers and I have no doubt they will develop into very good athletes.

Division II Nationals were again held in Invercargill which saw our Taranaki swimmers come together and enjoy a great team environment. This meet is a fantastic learning ground for junior swimmers and a number of them performed extremely well. I have no doubt that they were also introduced to a bit of skullduggery by the coaches from Taranaki and going by the photographs they had an absolute ball.

The Olympic trials were held in Auckland in March. There were a number of good performances from our senior swimmers; some of who were using the event as a buildup for national age groups. There were some fantastic swims, capped off with Julian Weir claiming bronze in the 100m freestyle. He also went very close to a bronze in the 50m freestyle. A new member to Aquabladz this season was open water specialist Troy Balvert. Troy claimed silver in the 800m freestyle and a bronze in the 1500m freestyle. Charlotte again proved her prowess in distance swimming by claiming the bronze in the woman's 1500m freestyle.

As a result of the outstanding swims by Troy and Julian at the NZ Open Championships they were both selected in the New Zealand team for Oceania Champs in Fiji. This is to be held in a few weeks time.

National age groups again proved to be an exceptional meet for Aquabladz. The highlight was qualification to the New Zealand Junior Pan Pac team by Eliot and Zac. This event is to be held in August 2016 in Hawaii. There were a number of Taranaki records broken and personal bests achieved by the team, with a number of finalists across a variety of events.

Medalists included Zac in the 1500m freestyle and silvers in the 200m and 400m freestyle. Eliot gained two silvers in the 100m and 200m breaststroke, with Katlyin Tippett swimming to silver in the 200m butterfly. Sasha gained two silvers in the 400 IM and 200m backstroke. A new member to Aquabladz this season was Matthew Anderson who previously swam with Stratford. He had a very impressive swim in the 100m freestyle where he gained a bronze medal.

Due to her performances at NAGS Sasha was selected on the New Zealand talent identification squad. Appointed to the national development squad were Jordan, Zac, Eliot and Julian. This is the first time for Jordan on a NZ squad, which is a great stepping-stone for him.

There is one major remaining event for the season, which will conclude prior to the AGM for Taranaki swimming. This is the Olympic qualifying swim for Charlotte in Portugal. If she finishes within the top 10 she will gain qualification to the 2016 Rio Olympic Games. Coach Sue Southgate will be joining her and we wish them both the very best. We are extremely proud of Charlotte and the effort that has been put in by Sue over the years to get Charlotte into this position to have a realistic opportunity to qualify for the Olympic Games.

I also would like to take the opportunity to thank the other clubs in Taranaki for their support at the Aquabladz carnivals, helping to provide officials, timekeepers and other assistance throughout the year. The relationship between the clubs in Taranaki is a real testament to the effort that has been put in by all clubs and the Swimming Taranaki board.

To the Aquabladz New Plymouth committee if it were not for your hard work and contributions this year we would not be in the position we are. To all Swimming Taranaki officials, helpers and parents that run their children around and give them the opportunity thank you very much. These children learn so much from the sport and it sets them up for the future when they finish swimming and move into the workforce.

A special mention to Claire Weir and Sonia O'Connell, who are stepping down from the Swimming Taranaki board. You have both put a huge amount of effort into swimming and it has been appreciated. It is no coincidence that in the last two years they have been the recipients of the Gayton Trophy, signifying outstanding service to swimming in Taranaki.

See you around the pool

Highlands Club President Report

The 2015/2016 season started off with the long awaited painting of the school pool. A job that has been on the to do list for a few years now and thank you to the Highlands School Board for getting the funding sorted so this could be done.

Our season started well with a high number of early registrations and again some classes being full and kids having to go on a waiting list for spaces to become available.

This is an ongoing problem which can only be fairly controlled by working on a first in, first served basis. We cannot afford to compromise our teaching quality by overcrowding the classes.

A big thank you goes out to Jo, Denyse and Karyn for their work in sorting out the groups and swimmer into their skill levels. With over 150 swimmers this is no easy task. We are also very lucky to have a great team of coaches to assist Jo in teaching our many groups of swimmers. It's great to see under Jo's guidance how our junior coaches develop and grow in the rolls they are given and results achieved as for some there are NZCA credits available.

Club nights still prove to be a popular event for swimmers to try to better themselves and enjoy the challenge of competing against their peers.

Another big thank you goes out to the hard working committee members. We are going through a slight restructure at present with more structured roles within the committee so we can all head in the right direction. We are also looking for more members as well so please don't be afraid to ask or jump on board. More hands make light work I say.

Winter swimming is also going very well this term. Keep up the good work.

Finally thanks again for being part of the Highlands Swimming Club Family and we look forward to seeing you all next season.

Inglewood Swimming Club 2015/2016 Presidents Report

Review

We had a good Learn to Swim season this year with 114 swimmers. We haven't had many competitive swimmers this year, but have some strong swimmers that are up and coming.

Learn to Swim

The Learn-to-Swim program went well this year. We continued with the program led by Head Coach Margaret Higgison to ensure consistency across the levels.

Our squad coached by Steven Mead was well attended and whilst not featuring many competitive swimmers, the swimmers were all positive and achieved well at their respective swimming sports.

Club Nights

Club Nights were well attended, with a core group of swimmers attending regularly. We had a group of young swimmers who transitioned from swimming half lengths, to doing lengths by the end of the season (very enthusiastically).

The improved time ribbons again were popular, with children trying to get a full complement of colours.

Club Champs

Club Championships were well attended and the trophies were shared around. We have some fantastic potential in our Club and will hopefully develop it over the coming years.

Club Records

No Club records were broken this year.

Flannagan Cup

Our club entered two relay teams in the 200m relay. It was a good experience for our swimmers to swim in Open water.

Duncan Laing 1.2km - Anna Mead was the only Inglewood swimmer

Taranaki Champs

Nina Goble performed well at the Champs, we will look to see if we can increase our numbers competing in future years.

At the Taranaki Club relays we had three relay teams compete with our best results being 4th place.

Carnival

Our carnival was a non-competitive carnival (as per swimming Taranaki), this had a huge impact on attendance as we only had less than 30 swimmers attend. For those that did attend we had some great spot prizes and the day went well.

Financial

Our Club received funding for the pool hireage again this year, which means that our overall financial position is maintained.

Volunteers – Thank-you to all our volunteers this year:

- **Our core committee:**

Jack Bishop, Regan Kempson, Lisa Rye, Emily Dennis-Bishop, Lisa Goble, Denise Cadman

- **Our Coaches and helpers:**

Many of our senior swimmers stepped into help coaching, this was much appreciated, alongside our parent coaches and Margaret. We do need volunteers to keep the club going.

- **Our Clubnight Workers and the parents and siblings who just help!:**

A special thanks to all the parents and siblings who volunteered for a bit more involvement this year. Swimming events can be quite specialised in their organisation and we appreciate getting more parents involved to share the work load and learn the ropes.

Finally...

Our Club is volunteer run and we will always appreciate all efforts to help make our Club both a pathway for swimming excellence as well as teaching the life skill that is swimming!

OKATO SWIMMING CLUB

PRESIDENTS REPORT

The 2015-2016 season was again a positive one for the Okato Swimming Club.

It has been an extremely busy season again with registration night happening in early November. Club numbers continue to sit around the 120 mark, a little down on previous years.

New volunteer coaches for our Learn to Swim programme (and the return of our regular volunteers) have enabled us to continue to run a really successful Learn to Swim programme. We made many changes to the programme throughout the off season and implemented the exciting changes at the start of the season. It saw a more structured approach with set programmes for each of the teachers to work from. We ran 2 Confidence, 3 Beginners, and 2 Advanced Beginners groups. Feedback from the changes has been positive from both instructors and parents.

Our small dedicated group of competitive swimmers tripped around Taranaki and further afield, representing the club at swim meets and achieved some great results. Personal bests and plenty of medals all round.

Our Club Champs began in late February and ran for 2 weeks, all club swimmers (and some Learn to Swim) participated in races ranging from 25m Freestyle right up to the 800m freestyle. During this Club Champs period a total of 10 club records were broken.....just amazing.

At our end of season prize-giving we had to say goodbye and thank you to our amazing coach of 8 years, Fiona Lacey. She is headed off to live in Spain with her family at the end of July. Fiona's dedication to our club has helped to shape it into what it is today, a vibrant, passionate and exciting club to be a part of.

STRATFORD SWIMMING CLUB PRESIDENTS REPORT 2015-2016

I am pleased to be presenting my first Stratford Amateur Swimming Club report for the 2015-2016 season.

Once again our club has had an amazing year of swimming which we as coaches, parents, families, members and committee members can be exceptionally proud of all our swimmers.

This season we have had 54 competitive and 26 non-competitive swimmers registered with Swimming New Zealand. This is largely due to Aimee and the Flyers swim school. Aimee has a huge passion for swimming and her enthusiasm and knowledge is hugely appreciated by the club. Also she has an amazing group of coaches around her that help to support her. Thank you Aimee.

The club continues to be noticed in many of the newspapers with the outstanding success many of our swimmers are gaining locally, nationally and also internationally.

The season has been typically busy with the travelling team heading to BOP in August with 23 swimmers attending, CNI champs in October with 29 swimmers and Wellington LC champs in January with 23 swimmers attending and gaining lots of medals and personal best times.

A number of the swimmers have also represented Taranaki at various meets. These include the 6 Way Meet in Palmerston North with 8 attending, Taranaki Winter champs 43 attending, Taranaki 12 & Under champs 27 attending and Central Swimming LC champs (13 & Over) 17 attending. There were lots of amazing times achieved and loads of podium finishes at many of these meets.

Our national calendar this season has been huge with many of our swimmers achieving to very high standards.

We started in September with NZ Short course champs in Wellington. Matthew, Brittany, Chris, Josh and Zoe all attended. Chris won 2 medals, Josh won 4 medals and broke 2 Taranaki records. Brittany and Matthew made top 10 placings.

In December was the Victorian Age Group Champs where Chris and Josh attended. Josh won 2 silver medals and qualified for the NZ team to attend the Australian Age Group Champs in April. Chris also made finals.

Also in December the Central Swimming Aquaknights tour was held out of Stratford and we had Zoe, Bailee, Claudia and Zarhn chosen to attend and they all achieved great times and enjoyed their experience. Aimee was also a Coach on the tour.

In February the NZ Junior champs were held in Wellington and we had Eleanor, Luca and Payton attend with Eleanor winning a bronze medal in the 200 Breaststroke and Luca and Payton achieving good PBs.

Also in February was the NZ Zonal Champs held in Auckland. Both Brittany and Chris were chosen for the Central Aquaknights team and both competed well.

In March the New Zealand Division II competition was held in Dunedin. We had Brooke, Lania, Adele, Ella, Bayley and Emma attend. Brooke, Lania and Bayley achieved podium finishes and lots of PBS and fun was had by everyone.

In April the Australian Age Group champs was held in Sydney and Josh represented us with amazing results. Josh won a bronze medal in the 200 breaststroke and also broke a NZ record in the 100 breaststroke.

In May we had one of our largest teams travel to Wellington to National Age Group Champs. Matthew, Jordan, Chris, Josh, Zarhn, Brittany, Zoe, Bailee, Claudia and Lauree. Josh won 6 medals and broke 2 NZ records, Chris won 7 medals and Brittany won 1 medal. Many of the swimmers made finals, there were 5 Taranaki records broken and 8 of the 10 swimmers were ranked in the top 10 in NZ and overall lots of PB times. The club was ranked 16th in NZ.

Congratulations to all swimmers who made the times to qualify for these national events it is an amazing achievement just to get there but to actually win medals and break records that is fantastic and the Stratford club is very proud of you.

Other events this year we have had is Club champs in March where we had 35 competitive and 17 non-competitive swimmers compete in great day of racing

There were a total of 39 club records broken this season also.

The club was once again part of the successful running of the Turnbull cup which is the local primary schools competition.

Porter Reesby was held between Stratford, Hawera and Opunake Clubs combined this season. We won both the Porter Reesby cup and the Higham Trophy.

We also ran another successful Masters games swimming night with a lot of our own parents taking part and enjoying the experience and lots of the kids getting the chance to have a laugh at mum or dad.

Taranaki relays were held in Hawera this season under a different format which seemed to be enjoyed by everyone. We won 5 trophies from various age groups and also the Durning cup again for the 7th year showing our strength throughout the club.

We as a club have received considerable support from the Taranaki Electricity Trust once again and the financial support from them allows our swimmers to compete around the country and helps them to become better and achieve as they are. Thank you to TET once again.

I would like to thank all the sponsors of various events that we have run throughout the year, your support is appreciated.

I would like to take this opportunity to say a huge thank you to all the Stratford committee members for all their many hours of work that they all put into our club.

Also to the parents and families who help at our carnivals.

Also to our life members who continue to support our club.

And also to the swimmers who dedicate themselves to be the best they can be.

I am looking forward to another successful swimming year ahead.

Deborah Taylor - President 2015/16
