

Central North Island TRI SERIES TOUR 2013

THE GREEN MACHINE NEWSLETTER #4

After 4 epic days of racing spanning 3 different venues and 6 different swim meets, the GREEN MACHINE came third with a bucketload of points and 67 personal best times.

The Green Team athletes absolutely gave their all churning out heaps of pbts, and constantly trying to sneak extra points here and there. Although we were behind on points, our attitude and efforts never dwindled. Well done everyone - you are fantastic!

Congratulations to the Red Team who did a superb job to take the top honours and the trophy. Well done to the Blue Team for making it a great contest.

Tempo Trainer winners (for being totally awesome at each venue) were **MAGGIE FRANKS, BAILEE DRUMMOND and JAMES RAYMOND. Well done!!!**

A big thank you to the following:

Peter McCallum for putting the Tri Series together. He did with both humour and style. What a guy!

Jan Pook for doing anything and everything. Marvellous:)

Brad Murdoch who stepped up and was brilliant at helping the Green Machine athletes. A great wingman!

Our team manager **Jo McCarty** who was absolutely awesome.

All the **team staff and coaches** for mucking in and helping each other. A pleasure to work with.

Taupo, Whakatane and Greerton - you were fabulous hosts!

The Central North Island Regions of **Bay of Plenty, Waikato, Taranaki and Hawkes Bay - Poverty Bay** for their support for this new programme. It is really appreciated.

Last but not least **The athletes** for being such good sports. You did yourselves and your teams great credit.
