

VICTORIA AGE GROUP CHAMPS 2015

Thank you for confirming your attendance to travel with the team to the Victoria State Age Group Championships from the 10th to the 19th of December 2014.

Costs:

This trip is fully user pays with a maximum cost of \$3,000.00. Central Swimming Incorporated is currently in the process of applying for funding to help with some of the costs associated with this trip. However our options for funding are extremely limited given that most charitable trusts do not fund overseas travel.

We invite you to source your own funding and are happy to provide any information you may require for your application. Progress on funding will be communicated at regular intervals.

Travel:

Please make your own travel arrangements to and from the Auckland airport. This cannot be coordinated or paid for by Central Swimming Inc as you are all coming from different regions. However there is nothing stopping you getting together with your own Regions to see if some group arrangement can be made.

We have the following flights held:

EK407 AKL - MEL Departing 10th December 1850 from AKL

EK406 MEL - AKL Arriving 19th December 1345 from MEL

Please allow **at least 2hrs** either side of departure and arrival for domestic flights.

Team culture and environment:

Parents we are trying to encourage and build a Team in a Team environment. It's all about teaching the swimmers about the next level of swimming without having their parents around all the time and we hope you can all appreciate that so please make your own arrangements for accommodation and don't ask to join the team for meals or sit with the Team at the pools.

We also ask that you do not provide any food for them pool deck if you are attending the meet. There is plenty of opportunity for them to purchase their own requirements. If you think they may need a hand or advice on food purchases then please let the Team Manager know and she/he will be more than happy to assist your swimmer.
