16<sup>th</sup> December 2013

Race travel Race.

Six o'clock roll round fast for most. Warm up was at 8am so it was breakfast pack bags and head for the bus. The Taupo club families had been there already for a while getting pads in and making sure that all was

ready for the meet to start on time.

Starting with the skins finals for the male and Female Back and Breast Stroke. Going from 4 swimmers to 3 swimmers to 2 swimmers and then the winner with a leave time of 90 seconds, with Isabel winning the girls breast The rest of the meet was hard fought with the Blood thirsty hound Dogs extending their lead over us but we extended our lead over the Green machine

Then on to Whakatane. This was a different meet and for the 1<sup>st</sup> time we closed the gap on the Dogs. Due to some real resolute swims with Cole, Isabel and Stuart winning their races and the rest of the team working hard to make sure every point was fought for. The boys fought hard to go 2 and 3 in the relay. There is a real feeling of team growing and you can see this in they way that all teams are fighting over every point.

We are staying at the Ohope Christian camp. Just stones throw from the beach.

Again the local club really pulled out the stops to put on a great 1<sup>st</sup> session. It was nice to see some familiar faces that have not been around for a while since their children had stopped swimming. "Once a swimming family always a swimming family"
