

BLOOD THIRSTY HOUND DOGS

Radical Red Race Day Domination!

Sunday, 14 December 2014

What a start to our first days' racing! Brendan Koevoet started things off with a PB in the first race of the day.

The Blood Thirsty Hound Dogs (BTHD) had competitors qualify for the second round of skins events in the afternoon. We had 1st/2nd finishes in both the boys' skins events, Brendan Koevoet and Joseph Belcher in the Mens 50bk, and Jon Karlsson and Johnson Bishop in the Mens 50br.

Jess Chapman won the ladies 50br skins and Moana Aupouri-Kaiwai was a close 2nd in the ladies 50bk skins. All skins swimmers earning double points for the team!

Our relay teams also stepped up to the mark. The boys 4x50fr relay were placed 1st. The girls 4x50 medley relay also earned 1st place.

We had an exceptional start to our racing coming out on top of the points table for both sessions. Finishing up the day on 288 points.

It is fantastic to see the team

coming together and supporting each other and putting in their best effort for the team.

Swimmers of the Session
