Off on the bus to Whanganui. A great first session which the boys won on points and the girls came second – we are now second overall. Here is quotes from everyone when asked about the first session.

Team Manager Phil “Fabulous” , Paddy “Skins were fun”, Zarhn “It’s hard for us to lose”, David “Just Love It” , Luke “Pretty tiring”, Zac “Lots of people I haven’t seen race before”, Gina “Awesome 1st session” , William Spear “Challenging and worthwhile”, Brianna Good - was fun”, Tahlia “Supper Doopa” , Lauren “I liked my 200 fly, I think it was a PB” , Michiel “tough work”, Claudia “We smashed it”, Islah “I’m glad the 800’s over” , Aimee “Cripps”, Aiden Head Coach “Exciting!”, Jessica B “Everyone fired up for an awesome session”, Tem “I reckon we all did pretty well”, Aimee Assistant Coach “Best team, great chants”.

FIRST SESSION Swimmers – Gina and William.

A quick lunch and some fun in the sun and we were back into it. We held our own in the semis of the skins but didn't make it through to the finals. Never mind another day tomorrow for this. THEN we had another good session with swimmers standing out in their main events to earn us great points, so the standings are at the same as earlier.

SESSON TWO Swimmers – David and Lauren

A good learning day for the coaches and we really feel like we have lucked in with our swimmers. All really cool to work with, voted best manners by the officials and all supporting each other and getting on well.

TWO MORE DAYS TO SMASH IT UP!
