

True Blue Barracudas

Our Champions are bringing it home!

A solid first session that set us up well for the second session, made all skins semis and 2 into the FINALS and we won our first relay!

MOST FUN WAS The massive mad flat war at the river between the sessions. The swimmers got mud everywhere – pelted each other with mud, went for penguin mud slides, pelted the boys, smashed the girls, birthday boy Lochlin was nuts, smeared the coaches, wrecked clothes and shoes and then jumped and swam in the river to wash off. It was so MUCH FUN! Who knew smashing someone with a pile of mud would be such a good feeling. Such a learning experience Tri-Series 2014.

SESSION TWO – One of those meets where you just know every swimmer is going to dig deep and smash everything, and wish for more races. All the swimmers were amazing Here.

Strengths from the day

Team Manager Phil – Everyone in the right place at the right time.
