NOTICE OF ANNUAL GENERAL MEETING

NOTICE IS HEREBY GIVEN OF THE ANNUAL GENERAL MEETING of
SWIMMING TARANAKI INCORPORATED

will be held on Sunday 11th October 2026 starting at 11am at

Fitzroy Surf Life Saving Club Rooms, Beach St., Fitzroy New Plymouth, 4312.

NOMINATIONS are hereby called for the following positions:

- **Board Member** (one vacant position available)

As per 8.1 Board Composition of Constitution, we are required to have a Board consisting of six members.

As per 8.6 Board Composition of Constitution each member club may nominate in writing one candidate for each vacant position for election to the Board for each vacant position.

Please refer to Section Eight: Governance – Board Composition of Swimming Taranaki Constitution.

Daniel Hancock	Rotation 2	Kim Treeweek	Rotation 2
Paul Feltoe	Rotation 1	Position Vacant	Rotation 1
Ali Hickford	Rotation 3	Brendon Roche	Rotation 3

- **2025/26 Technical Sub-Committee** – Two vacant positions by rotation. These vacancies must be filled by officials (minimum of 5 for a three-year term)

Rowan Williams	by rotation (1)
Daniel Hancock	by rotation (1)
Cath Tippett	by rotation (2)
Margaret Higgison	by rotation (2)
Tracey Knofflock	by rotation (3)

- **Blazer Committee –**
  The Blazer Committee shall consist of two Board members and two elected members. Elected members shall be elected for a two-year term at an AGM and shall retire in rotation. Retiring members may offer themselves for nomination for a consecutive term.

Nominations, remits and recommendations are to be made in writing to taranakiswimming@gmail.com

Please ensure returns are sent to Swimming Taranaki Administrator before 20th September 2026.

Member Clubs are reminded that as per our constitution, they are required to provide Swimming Taranaki (at least two weeks prior to the AGM) the following documents:

- a copy of their annual report
- a copy of their financial statements
- the names and addresses of its officers.

Swimming Taranaki Directory 2025-2026

Chair	Daniel Hancock
Deputy Chair	Paul Feltoe
Board Members	Kim Treweek, Brendon Roche, Ali Hickford
Administrator	Louisa Parker
Technical Committee	Cath Tippett (Chair), Margaret Higgison, Rowan Williams, Daniel Hancock, Tracey Knofflock
Blazer Committee	Beth Low, Cath Tippett, Daniel Hancock, Tracey Knofflock

MINUTES OF THE SWIMMING TARANAKI INCORPORATED

ANNUAL GENERAL MEETING HELD IN STRATFORD (Stratford War Memorial Function Rooms)

Saturday 11th October 2025, 11am.

PRESENT: Kaia Prince, Dean Prince, Maz Prince, Jacob Parker, Paul Feltoe, Louisa Parker, Daniel Hancock, Tracey Knofflock, Leish More, Ballie Moe, Kayla Warmenhove, Odin Warmenhove, Maritza Warmenhove, Christ Warmenhove, McKenzie Reed, Anna Reed, Fiona Craig, Meila Gwiazdzinski, Kim Treweek, Nicols McClung, Rylee McClung, Josh Smith, Dana Smith, Olive Smith, Aaliyah Smith, Joe Becroft, Kairangi Trinder, Luke Mottern, Mariano Garcia Nani, Michael Mottern, Georgia Myers, Raelene Myers, Gaylene MacLean, Brooke Van Eiyk, Deb Wright, David Wright, Henry Haszard, Anna Trinder, Hames Phillips, Lisa Smith, Marnie Smith, Talen Hickford, Allison Hickford, Maree Venables, Dyland Venables, Sarah Venables, Toby Wales, Brendon Roche, Olivia Roche, Tracey Wales, Claudia Brock, Jacqui Brock, Cath Tippett, Rowan Williams, James Wilson Jr., James Wilson, Katy Wilson, George Sibtsen, Mark Wales, Elise Wales, Kobey Agent, Claire Butler, Thalia Butler, Fiona Lacey, Paul Veric, Max Veric, Joe Veric, David Riley, Michaela Riley, Stacey Kennard, Shyla Kennard, Emma Iceton, Amber Erueti, Blakey Stewart-MacDonald, Jamie Stewart-MacDonald, Kirsty Riddell, Macey Riddell, Claire Rowlands, Edi Coster Mason Coster Courtney Coster, Rowdy Coster.

APOLOGIES: Sue Southgate and Donna Bouzaid, Rob and Beth Low and Craig Elliot.

Introduction

WELCOME: The meeting was opened by Board Chair, Daniel Hancock who formally welcomed all those in attendance and gave instructions on the Emergency exits/safety information.

Daniel then Introduced the Swimming Taranaki Board Members – Paul Rust resigned from the Board and is now living overseas, and Steve Venables was absent.

Daniel gave a special welcome to Life Members in attendance; George Sibsten and Cath Tippett along with the club representatives and everyone present.

VOTING RIGHTS: Daniel called the roll of attending club representatives and explained that voting would be by a show of hands.

Confirmation of Voting Delegates

Aquabladz – Tracey Wales
Hawera – James Phillips
Stratford –Dana Smith
Inglewood – Claire Butler
Okato – Gaylene Maclean
Waitara – Ali Hickford

OBITUARIES: In Memoriam of MacKenzie Rowlands.

Daniel spoke of how McKenzie Rowlands, during her young life, had played such a huge role in her Aquabladz Club and swimming in the Taranaki region. MacKenzie had left a lasting impression on everyone in the swimming community.

CONFIRMATION AND ADOPTION OF MINUTES OF AGM:

Moved that the minutes from the last AGM held on the 19th October 2024 be taken as read and accepted.

MATTERS ARISING: No matters arising to note.

Moved: Tracey Knofflock Seconded: Ali Hickford **CARRIED**

Confirmation of the Elected and Appointed Board Members

There was one vacant position on the board with Paul Rust moving overseas, and one person nominated. Brendon Roche was elected to the board of Swimming Taranaki.

Steve Venables replaced Carol Powell during the year and Brendon Roche will replace Paul Rust.

Daniel confirmed the Elected and Appointment Board Members for the 2025/2026 year:

Daniel Hancock, Paul Feltoe, Kim Treweek, Mariano Garcia Nani, Steve Venables and Brendan Roche.

Moved: Ali Hickford Seconded: James Phillips **CARRIED**

Adoption of the 101st 2024/25 Annual Report

ANNUAL REPORTS OF ACTIVITIES 2024/25 All reports moved to be taken as read and the 2024/25 annual report be received and adopted.

Clubs were encouraged to keep their membership numbers and details of volunteers/officials up to date. This can be done by the Recorders or contact Louisa Parker directly for assistance.

Clubs with swimmers going to meets outside the region, please ensure you contact Tracey Knofflock so any records broken can be updated in the Taranaki Records database.

Chairperson Report:

Moved: Daniel Hancock Seconded: Nicola McClung **CARRIED**

Administrator Report:

Moved: Stacey Kennard, Seconded: Tracey Knofflock **CARRIED**

Records Officer Report:

Moved: Ali Hickford Seconded: Tracey Knofflock **CARRIED**

Technical Report:

Moved: Tracey Wales Seconded: Cath Tippett **CARRIED**

PRESENTATION OF THE FINANCIAL STATEMENTS for year ending 30 June 2025

Daniel noted that there was a slight financial loss this year. The funding Swimming Taranaki received was down on previous years due to the funding timeframes outside the Swimming Taranaki financial year. There has been a reduction in funding available overall which makes funding applications challenging. Please could you remember that ST needs as much information as possible for these applications and this information must be received well before the deadline.

Moved that the Statement of Financial Performance and Statement of Financial Position for 2024/2025 be taken as read and adopted.

Moved: Tracey Wales Seconded: Dana Smith **CARRIED**

GENERAL BUSINESS as notified under rule 10.3

The decision to re-register under the New Incorporated Societies Act and in doing so, adoption of the amended Swimming Taranaki Constitution in line with the new requirements of this Act was approved and adopted.

Moved: Dana Smith Seconded: Ali Hickford **CARRIED**

Changes to the Constitution of the number of Board Members allowed, with a suggested increase from 6-8 members.

Stacey Kennard asked what the reasoning behind this was and pointed out that if someone doesn't turn up for a meeting then the quorum wouldn't be met.

The suggestion for an increase in board numbers came from a sense of urgency to engage any people interested in joining the board.

Jacqui Brock suggested changing it to a minimum without a cap.

Further discussion on this matter will be required at club level.

Closing of Meeting 11:20am.

The Chair closed the meeting at 11:20am. and invited attendees to join in the Awards Ceremony at approximately 11:30am.

THE MEETING WAS DECLARED CLOSED 11.20AM

Chairperson ..... Date 11 october 2026

Swimming Taranaki Chairpersons Report 2025/26

Another swimming year complete and another Chairpersons report. This year has been a lot different to my previous three years on the board. It has seemed to fly by without any major issues. Maybe I've been here too long, or I have learnt to not mull over the minor things that do not really affect the end goal, which is ensuring our swimmers have all the opportunities they need to achieve success in their eyes.

I must start by thanking our tireless administrator Louisa for continued dedication to the role. The hours she has put in updating social media sites, working on funding applications for our swimmers going to National events, putting together financial reports for the board, and compiling the annual report. Not to mention sorting uniforms and trophies and organising events as the Summer Series, Winter and Summer Champs and the AGM and Prizegiving. Your commitment to the finer details is noted and appreciated even when you get frustrated by my late replies to your emails and information requests.

I would like to thank our Board members, Paul, Kim, Mariano, and Brendon, for their contributions this year. We also have recently added Ali to the Board and her input is going to be valuable going forward as those that know her will agree she puts 100 % into everything she does and wants the best for all swimmers. We still have a vacancy on the Board due to Mariano handing in his resignation recently. I would encourage you all to consider putting your name forward. We all have strengths and weaknesses and the more diversity we have helps create better decision making in the future. I thank Mariano for his contributions over his time on the Board.

While mentioning coaches, we farewelled Craig and welcomed Scarlet to the Flyers, and Jenna to the Inglewood who has taken over from Terry. I would also like to mention Carol who is assisting with the Opunake and Hawera Clubs. It is great to have enthusiastic people involved in coaching our swimmers and encouraging them to start and/or continue on their swimming pathway. The discipline that you install upon our swimmers stays with them during and after they finish swimming.

Once again, our volunteers at carnivals/ Championships and camps have been amazing. We have filled our timekeeper lists swiftly at our events this year and we now have a large contingent of trainee IOTs, and many of our existing Officials are progressing through to becoming JOSs and starters. I must mention all the Officials that no longer have swimmers competing that do continue to attend carnivals and championships. Your knowledge and experience is very much appreciated. The more volunteers we have the less we must rely on the same people every time which means occasionally, we can sit back and watch our kids compete. We are lucky in our region that our events are a lot less stressful than in the major centres, but it does give us a good base if are required to assist when we travel away to events throughout New Zealand.

I would like to congratulate all swimmers that have competed at National and acknowledge those that have had podium finishes at these events. We are proud of the way you have represented us and enjoy hearing about these experiences and seeing how you use this exposure at a local level. The younger swimmers are inspired by watching you compete locally and helps develop them into the future stars of our sport. Also well done to all who have broken Club and Taranaki records this season.

The Summer Series was once again held at the Okato, Waitara, Inglewood, and Opunake pools. A big thank you to Louisa and Rowan for making these events run smoothly. It was great to see a number of these swimmers have progressed through to carnival swimming. Many of

these young swimmers are extremely nervous at the beginning of the series but their confidence grows very quickly as their competitive nature begins to show through. There are so many talented swimmers at these events and only need a slight push in the right direction and they could harness their potential and become competitive swimmers.

Local carnivals have been well supported and seems to be a lot of young swimmers coming through. Sometimes we lack some of the older swimmers at these events and I would like to encourage them to support these local carnivals and champs. There may not be a lot of competition for them locally but the younger swimmers (and parents and officials) love watching top swimmers' race and it gives them a goal to aim for.

We all know funding is essential for all organisations these days with ever increasing costs. Although there are a lot of organisations out there to receive funding from, the pot of money has greatly reduced. In saying that we are grateful for the $50,000 that we did receive from The NZ Community Trust, Toi Foundation, The Lion Foundation, The Bobby Foundation, Pelorus, Aotearoa Gaming Trust, The Taranaki Foundation and the TAB NZ. Without their support we wouldn't have been able to subsidise the Intermediate camp, accommodation for Springs, Opens, NAGS and DIV II, and purchase merchandise, ribbons and pay for pool hireage and food for Championship events and Summer Series.

On a final note, on behalf of the Swimming Taranaki Board all of you for making the past season a success. Swimming is such a rewarding sport if you put in the effort and can take you all over the country with like-minded people who will become lifelong friends. The dedication and commitment it takes to succeed in swimming will benefit you for your entire life.

I hope you all meet your targets and goals for the 2026/27 season.

Daniel Hancock

FOUNDATION

<u>Swimming Taranaki Annual Performance Report</u>

Membership and Database Management

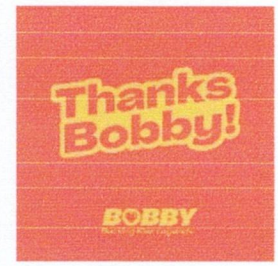

Our membership statistics are generated from the Swimming New Zealand (SNZ) database. Accurate and up-to-date information in this system is crucial, and we thank all clubs for their efforts during the rollover period.

We encourage all clubs to maintain precision in entering data as it reflects how our region engages with the broader community and supports regional planning and development.

THE FLANNAGAN CUP 2026

The Flannagan Cup was hosted at Ngāmotu Beach on Waitangi Day. The event kicked off at 8am with a sunny outlook and a slight breeze introducing a bit of chop for the swimmers. This year, prizemoney was on offer, generously donated by Kevin Rimmington whose father was the winner of the 1926 event. The 3.6km Flannagan Cup was won by Robbie White and the first female across the line was Emma Iceton. 250+ swimmers entered across all events including numerous club swimmers, masters, triathletes and juniors showcasing the support this event has from the community. Sincere thanks to our sponsors—Bayleys Taranaki, Safety Solutions, Port Taranaki, VBW and Wells Electrical —whose support is vital to the ongoing success of the Cup.

REGIONAL CHAMPIONSHIPS, SWIM MEETS & EVENTS

Our **Long-Distance Meet**, held on the 8th November 2025 on a Saturday afternoon at Bell Block Pool, saw 23 swimmers compete. With 26 swimmers entered originally this number was diminished by sickness on the day. A Designated Meet, thanks to all the volunteer officials and parent help, one swimmer was able to achieve a NAGS qualifying time at this event.

Taranaki Summers 2026

The meet attracted 96 entries and gave swimmers an important opportunity to achieve national-event qualifying times. Held at Wai O Rua Stratford Pool, it concluded with the Taranaki Club Relays. A dedicated officiating team and more volunteers ensured the meet met SNZ standards.

Taranaki Winters 2026 was held at Wai O Rua Stratford Pool from 17–19 July, outside the 2025–26 financial year ending 30 June. The event drew 96 competitors from Taranaki, Howick, Kiwi West, Tawa and Whanganui. We appreciated the support of **Swim Hub**, which continues to provide the region's only local access to racing gear and advice.

Clinics and Camps

Swimming Taranaki held its Junior & Intermediate Swim Camp from 23–25 January 2026, providing 23 swimmers with an enjoyable opportunity to challenge themselves, develop new skills, and build confidence ahead of the summer competition season at both local and national levels. Support from the **Toi Foundation** enabled us to provide accommodation staying at Sacred Heart Girls College hostel (Elizabeth House) and keep the camp inclusive and affordable for all participants, and we gratefully acknowledge the Foundation's contribution.

We also extend our sincere thanks to **Paul Veric, Isabella Roche, and David Riley**, who gave up their weekend to organise activities, entertain the swimmers, and support their care throughout the camp; to **Ngaire**, who prepared delicious meals to keep everyone fuelled for training and activities; and to **Mariano, Fiona, and the Inglewood coaching team** for the time and energy they invested in upskilling our swimmers.

Summer Series

The 2026 Summer Series returned to Okato, Waitara, Inglewood and Opunake, with up to 70 swimmers competing at each venue and strong support from families. The series provides young and new swimmers with an opportunity to experience competitive swimming in a relaxed and enjoyable environment. Swimmers from Opunake, Okato, Hawera, Stratford, Inglewood, Waitara and Aquabladz took part, supported by local officials whose contribution was invaluable. Each event was well attended and featured barbecues, spot prizes and enthusiastic community support. We gratefully acknowledge **The Taranaki Foundation** and **Toi Foundation** for their generous funding, which has helped us

continue growing grassroots participation across the region and we look forward to another successful season next year.

The Taranaki Masters 2026

Our Taranaki Masters Swimming Competition in association with Sport Taranaki, continues to grow in popularity, encouraging swimming for health, fitness and longevity and providing an inclusive opportunity for older swimmers to remain involved in the sport. Some of our oldest community members—including swimmers in their 90s—continue to compete, stay active, and enjoy the camaraderie and connection that swimming provides. The event this year was held at Wai O Rua Stratford Pool where 46 competitors enjoyed the competition and the socialising afterwards which included the presentation of medals.

Funding and Acknowledgements

Swimming Taranaki was incredibly fortunate to receive generous funding support from a range of organisations throughout the past financial year. This support plays a vital role in enabling us to grow and develop the sport of swimming across the region, while providing opportunities for swimmers to achieve their goals and progress at every level.

We extend our sincere thanks and appreciation to our valued funders:

- NZCT – Wages
- Pelorus Trust – NAGS
- The Bobby Foundation – Division 2
- Taranaki Foundation & Toi – Summer Series
- Lions Foundation – NZSC
- Toi Foundation – General contribution, annual and P&E financial assistance

Collectively, these organisations provided $47,189.56 in funding to support swimming progression throughout Taranaki.

This generous support has enabled Swimming Taranaki to deliver high-quality events, camps, and development opportunities for swimmers of all ages and abilities—from beginners taking their first steps in the sport through to Masters Swimmers continuing their passion for swimming.

In what has been a challenging economic climate, the continued generosity of our funding partners has made a tangible difference. Their contribution helps ensure that swimming remains accessible, inclusive, and rewarding for our swimmers and the wider Taranaki swimming community.

We are extremely grateful for their ongoing commitment and investment in the future of swimming in Taranaki.

We would also like to acknowledge and sincerely thank the wider swimming community whose ongoing support and commitment contribute to the success and growth of the sport each year.

The dedication of our parents, whānau, friends, coaches, officials, volunteers, and supporters is fundamental to providing meaningful opportunities for swimmers throughout the region. Your time, expertise, encouragement, and commitment help create a positive and supportive environment in which swimmers of all ages can participate, develop, and achieve their goals.

We greatly value the contribution each of you makes to the Swimming Taranaki community and thank you for your continued support of the sport.

Swimming Taranaki Technical Committee Report 2025–2026

During 2025-26, the Technical Committee focused on supporting clubs to ensure a sufficient pool of qualified officials was available for club and regional meets, and that officiating practice and development met Swimming New Zealand standards.

The Committee supported 3 regional meets, and 7 club meets during the year. Four officials, Angie Feltoe, Rob Jones, Dan Hurley, and Nardia Higginson, completed all technical assessments and achieved qualification as Inspectors of Turns (IOTs).

At year end, Swimming Taranaki had 21 Inspectors of Turns, 9 Judges of Stroke, 6 Starters, 7 Referees, and 5 Recorders, with additional officials actively progressing through training and assessment.

Swimming New Zealand's Technical Officials Pathway combines online learning, pool-deck experience, mentoring, and competency-based assessment to build a sustainable pipeline of skilled technical officials. The nationally led programme promotes consistency of practice, high standards of learning, and professional conduct across all levels of competition.

The primary risk to maintaining compliance with Swimming New Zealand's requirements for designated meets is the limited depth of qualified officials in certain technical roles, together with continued reliance on a small number of experienced officials. Therefore succession planning remains a key focus area. In response, the Committee has targeted recruitment of new trainees, supported officials through qualification pathways, prioritised development in critical role areas, and ensured mentoring opportunities are available at both club and regional meets.

The Committee intends to continue implementing the Swimming New Zealand Technical Officials Pathway, strengthen succession planning across all technical officiating and recorder roles, and maintain ongoing mentoring and development opportunities throughout the region.

These priorities will strengthen officiating capability and support the long-term sustainability of technical officiating within the Taranaki swimming community.

The Committee thanks the region's swimmers, clubs, volunteers, and officials for their continued support throughout the year.

Rowan Williams
Swimming Taranaki Technical Committee

Presidents Report for Aquabladz Season 2025-2026

The 2025/2026 season has been a positive and rewarding one for Aquabladz. We have seen strong participation at regional and national meets, excellent attendance at club nights and local meets, and successful fundraising that has helped our swimmers compete beyond the region. The season reflects the combined effort of our coaches, families, committee members and volunteers.

A Strong Year for Club Participation

Our largest club away meet for the season was the Central North Island Championships held in Rotorua, with 42 swimmers attending the three-day meet. This was our largest travelling team in many years and brought together younger swimmers competing outside Taranaki for the first time alongside our experienced national-level swimmers. A trip of this size required considerable planning, fundraising and organisation, and the efforts of everyone involved were greatly appreciated.

Aquabladz had teams attend all major national meets during the season, including the New Zealand Short Course Championships, New Zealand Open Water Swimming Championships, Division II, Junior Festival, National Age Group Championships and New Zealand Open Swimming Championships.

For a relatively small club, our level of participation at national competitions is impressive, and the results achieved at these meets have been outstanding. Aquabladz finished third overall in club points at Division II and second overall at the New Zealand Open Water Championships. Our relay teams also broke 14 existing Taranaki relay records and set five new records. These results are significant milestones for Aquabladz and reflect the strength of the club as a whole.

Club nights continued to attract strong participation and provided swimmers of all ages with opportunities to race in a supportive environment.

This season marked our second Club Championships, and it has been great to see so many swimmers take part. The competitive racing, encouragement and sportsmanship shown throughout the event reflect what Aquabladz is all about, and it is a pleasure to celebrate those achievements today.

Aquabladz Carnivals were also extremely well attended, regularly attracting between 40 and 50 members. The involvement of parents and families ensured these meets ran smoothly and efficiently.

Aquabladz had strong participation at the annual Flannagan Cup, with swimmers testing their open-water abilities across a range of distances. The event was complemented by a successful baking and breakfast fundraiser, with members and families once again getting behind the club.

Fundraising and Sponsorship

Fundraising continued to play a vital role in helping our swimmers attend competitions outside Taranaki and reducing the financial burden on swimmers and their families. The club are extremely grateful to the eight funding providers who supported the club during the season, with a combined contribution of $26,070.

The firewood and manure fundraisers made an important contribution to this effort. The club is especially grateful to the Haszard family, who donated the firewood from their property and generously provided their equipment, storage, time and assistance. Recognition must

also go to the club members who gave up their weekends to help with cutting, splitting, moving, loading and delivering the firewood.

The manure fundraiser was also a huge success, and the turnout from the club was incredible to see. Despite the wet conditions, everyone pitched in and worked together to get the job done quickly. A special thank you goes to Mark and the Inglewood Golf Club for allowing us to use their venue.

We are extremely grateful to Total Orthodontics for sponsoring our swimmers to attend Division II in Dunedin and National Age Group Championships held in Hastings. Their contribution made a genuine difference and helped our swimmers take part in these important national competitions.

Committee, Coaches and Club Community

The committee deserves special recognition. Although we have operated with a small team this season, we have achieved a great deal. Each committee member has given an enormous amount of time, energy and care to keep the club moving forward and provide opportunities for our swimmers, while also balancing their own work and family commitments. Tasks such as administration, fundraising, funding applications and event planning/delivery are much more manageable when shared. Strengthening the committee with more members is important for the long-term sustainability of the club.

A huge thank you to coaches Mariano and Fiona, for the time, knowledge and commitment they have given our swimmers throughout the season. Behind every training session is careful planning around fitness, technique, race preparation and the individual development of each swimmer. Their coaching plays an essential part in helping our swimmers improve, enjoy the sport and work towards achieving their goals.

This season, our senior swimmers have continued to step up for the club, including when they have been unable to race themselves. By timekeeping, marshalling, coaching, team managing or simply asking where they can help, they have shown that being part of Aquabladz is about more than being an individual swimmer. It is also about giving back to the club that continually supports them and leading by example.

That willingness to help sets a strong example for our younger swimmers, who notice the encouragement before a race, the guidance when they are unsure and the support afterwards when things have not gone to plan. These moments help build confidence, connection and a genuine sense of belonging, and are a big part of what makes Aquabladz such a special club.

That same spirit has been shown by our families and volunteers. At our home and away meets, people have helped as timekeepers, officials, team managers, marshals, recorders, food preparers, ribbon and medal sorters, drivers, first aiders, camp managers, cleaners and tea and coffee runners. There is an enormous amount of work that happens before our swimmers can step onto the blocks, and none of it goes unnoticed.

The success of Aquabladz is not measured only by results in the pool, but also by the way our members support one another and contribute when help is needed.

To our swimmers, coaches, committee members, families, officials, sponsors, funders and volunteers: thank you. That spirit of contribution, encouragement and belonging is what makes Aquabladz such a special swimming club.

Regards

Tracey Wales, Aquabladz President

Chairperson's Report

It is my pleasure to present the Chairperson's Report for the Okato Swim Club for the 2025/2026 season.

This year has been another busy and successful year for our club. I would like to begin by thanking all of our swimmers, families, coaches, committee members, volunteers and supporters for the time, effort and commitment they have given to Okato Swim Club.

Our club continues to be a wonderful place for swimmers of all ages and abilities to learn, develop their skills and enjoy being part of a team. It has been fantastic to see our swimmers grow in confidence, challenge themselves and celebrate their achievements throughout the season.

A special congratulations goes to all our swimmers Emily Wanden and Sophie Juffermans who have competed at club, local, regional and national events with successful results. The girls performances, personal bests, and sportsmanship reflect not only their own effort but also the strength of our club as a whole. I'd like to take a moment to recognise someone who plays an incredibly important role to getting the girls to achieve this which is Fiona Lacey, behind every strong performance, personal best and every bit of progress we've seen this season is the guidance and dedication of Fiona the long hours on poolside, the constant encouragement and the attention to detail do not go unnoticed.

The success of a swimming club is not only measured by medals and times, but also by the friendships, confidence and life skills that our swimmers develop. I believe Okato Swim Club continues to provide a positive and supportive environment for our children to enjoy swimming and reach their potential.

I would like to acknowledge and thank our coaches and Learn to swim instructors for the time and commitment they give to our swimmers. Coaching requires patience, dedication and a great deal of preparation, and we greatly appreciate everything you do to help our swimmers improve and enjoy their swimming.

This year we have continued to look at ways to encourage participation and make swimming enjoyable for everyone.We had a successful Summer series this season with a good turn out of swimmers giving it a go and trying new events at all four events. Our Learn to Swim programme continues to thrive, providing a strong foundation for young swimmers. It has been especially rewarding to watch many of these swimmers grow in confidence and develop their technique throughout the season. Their enthusiasm and willingness to learn are a credit to themselves, their instructors, and their families who support them each week.

Club Championships were another standout event this year. It was inspiring to see our Learn to Swim swimmers stepping up to challenge themselves by participating. For many, it was their first experience of racing in a competitive environment, and they embraced the opportunity with determination and courage. Seeing swimmers push themselves beyond their comfort zones, celebrate personal achievements, and encourage one another is exactly what our club is all about.

Looking ahead, we want to continue building on the strengths of Okato Swim Club. Our focus will remain on encouraging participation, supporting our swimmers, developing our coaching and continuing to provide a welcoming and positive club environment.

I would like to thank the committee for their support and commitment throughout the year. It has been a pleasure working alongside you, and I appreciate the time and effort each of you contributes to the club its greatly appreciated. A club cannot operate without the many people who help behind the scenes with organising events, fundraising, administration, officiating, timekeeping, club activities and supporting our swimmers and families.

Finally, thank you to all of our swimmers. You are the reason our club exists, and it is wonderful to see your enthusiasm, determination and commitment. We are very proud of every one of you.

Thank you to everyone who has contributed to another successful year for Okato Swim Club. I look forward to seeing the club continue to grow and thrive in the year ahead.

Thank you.

Heather Juffermans

Chairperson

Okato Swim Club

Flyers Presidents Report – 2026

It has been another full and memorable year for the Stratford Flyers. We have so much to be proud of, with our swimmers achieving wonderful results across local meets, regional meets, Division 2s and Nationals.

We also faced a few challenges along the way, particularly with Craig's departure in October. During that time, I was reminded again of the strength of our club community. I want to sincerely thank the parents and coaches who stepped in so generously to make sure there was always someone poolside while we worked through the recruitment process to bring Scarlett on board.

Throughout the year, it has been genuinely inspiring to watch our swimmers grow, develop and support one another. Seeing them turn up, put in the hard mahi, and keep striving day after day has been something very special. Their commitment, resilience and enthusiasm are a credit to them and to their whānau.

A heartfelt thank you to all our parents for the many early mornings, late evenings, trainings, events and everything in between. Your support makes it possible for our swimmers to do what they love. To our incredible coaches, thank you for the countless hours you spend poolside encouraging, guiding and believing in our kids. We are also deeply grateful to the parents who stepped up as Camp Mums and Dads during away trips— your care, kindness and support meant so much. Thank you to the Fundraising Committee for the time, energy you have poured into supporting our club. Your efforts have played such an important part in helping fund trips and keeping costs more manageable for families, and we are truly grateful.

A big thank you also to the Trip Committee for all the planning, organisation and behind the-scenes work that goes into making these opportunities possible for our swimmers.

This year has brought its share of challenges and learning opportunities for both myself and the committee, but it has also shown just how much we can achieve when we work together. What has been accomplished has been immense, and I want to sincerely thank each and every one of you for the role you have played.

A very special thank you to Dana, who worked tirelessly behind the scenes to make sure we met every requirement with Immigration New Zealand to get Scarlett here. Your dedication and attention to detail made such a difference.

Kristin, thank you for your dedication in resolving our financial matters and ensuring everything is in order. The care and perseverance you have brought to this work are deeply appreciated.

And finally, thank you to Daniel. Your ongoing support at club nights, your advocacy for our club through your role at Swimming Taranaki, and all the unseen things you continue to do have a huge impact. We are very lucky to have you in our corner—you are a legend! We are so lucky to have such a passionate committee, amazing coaches, supportive families and a great group of hardworking swimmers. That is what makes the Stratford Flyers such a special club, and I feel really proud to have been part of it. Although I am stepping down as Club President, I'm excited to see what the next year brings for the club.

Warm regards,

Fiona Jansma

Hawera Swim Club – Presidents Report 2026

With another year behind us, I would like to thank our coaches, current and former committee members and especially the children for their efforts and success. I would like to mention Pelorus Trust for their continued help and our wonderful sponsors for all their support. I would also like to thank officials and volunteers from around Taranaki for making our carnivals successful. I would like to thank the parents for your help and support without you we couldn't do what we do to improve and keep our swimmers interested.

This year we were focused on growing the club numbers and saw a large group of young children joining or looking to join. There was a focus on connecting with local primary schools and school swim events to encourage membership to the club. Better programs for the younger members to make swimming fun and enjoyable whilst gaining the skills to be great swimmers. This has been good for the club with a positive outlook for next year. We had planned events including club trips and fun club nights which have been a hit with the swimmers.

This year saw some changes with new coaches joining the club along side Robbie and Beth, we continue to be grateful for their ongoing help, lessons, training and their knowledge of the sport.

We have some more exciting new thing planned for the coming year including the refresh of the swim uniforms, fun day trips and fun club nights. We are now also offering swim lessons on Thursdays for all club swimmers.

It's been a positive year for the club as we continue to build and grow. I look forward to seeing everyone out there pool side.

James Phillips

President

2025 / 2026 Season: Presidents Report

The Inglewood Swimming Club has continued to benefit from the dedication and effort put in by so many of our long standing members during the 2025 / 26 season, whilst welcoming some new faces to the committee and the pool sideline.

This the story of our club – dedication and effort from a tight core of swimmers, their parents & caregivers, and long-standing supporters – and it's what has kept the club operating continuously for over 80 years.

Our coaches comment that our swimmers are a really nice bunch of kids (and teens), respectful of their coaches and each other, bright & cheerful with good attitude towards the sport, swimming for the sake of swimming and supporting each other. It is great to see the progress of our swimmers and the confidence that they are building in this chosen sport.

Our squad swimmers have enjoyed the attention of two experienced coaches in Margaret and Jenna this season, offering 7 swim sessions per week through the summer and 4 per week in winter.

Building on the foundation largely developed by Terry, the Learn to Swim programme grew significantly in the 2025/26 past season. Holding these lessons at the Inglewood Primary School pool has had the double benefit of a) providing a warmer, weather independent venue for learner swimmers and b) freeing up more time for squad swimmers in the big pool. The Learn to Swim programme is not only furnishing the pipeline of swimmers to progress into the junior and senior squads, but also providing a platform for senior club members to take on a new dimension, as trainee coaches.

Overseen by Margaret, Caitlin has taken on more and more coaching responsibilities, supported by Daisy last year, and a posse of four of our senior squad swimmers. We're very pleased to see some of the older swimmers giving back to the club in this way, while also benefitting in their own right, from the opportunity to work under and alongside experienced coaches, and play a role in the development of a new cohort of young swimmers.

We've continued both the Learn to Swim and squad swimming programmes into the winter, which is great for our swimmers to continue developing and embedding skills and maintaining swim fitness.

Huge thanks to Margaret, who has maintained an overview of all swimmers, monitoring progress, adjusting classes to best meet swimmers needs and facilitating progression by moving them into a more challenging group when they're ready.

It has been heartening to have many more swimmers join our ranks this year, both in the Learn to Swim programme and straight into squad. Some have really hit pool like a whirlwind, already looking toward competitive swimming after their first season.

It was great to see our swimmers turning out and performing well at the range of events on offer during the season. There's been a core group of swimmers competing in Taranaki carnivals, champs and further afield at the North Island Showdown in October last year. We also appreciated the opportunities for all swimmers to participate in carnivals around Taranaki, so they could get taste of how things work and decide if they wanted to swim competitively next season.

We also had several club members acquit themselves very well in open water swims in Taranaki (Flanagan cup) and Taupo.

The interclub "Give it a go" series proved popular again this season. We hosted the first fixture at Inglewood and what a fantastic day we put on, with great weather, great spot prizes (supported by local businesses) and some great swimming! Inglewood club also had a pleasing turn out at the other three events in the series, at Waitara, Opunake and Okato.

We have had consistent attendance at our club nights and it was great to see our swimmers improving not only in times but distances and the eagerness to participate in many events. A lot of personal best ribbons have been handed out. Recognition must go to the parents who contribute to running the club nights, ensuring that we can run these events on a weekly basis with timekeeping, set up and pack downs.

Our club champs races were run over two week nights (for the longer races) and a Saturday morning in March. It was rather fun to have some lively competition in the family relay – there's something to be said showing the kids that their parents can do their thing in the water too...! Whilst we'd seen a lot of members participate in club nights, relatively few came frequently enough to qualify for club champs. The learning for next season is to increase awareness of club nights and qualification for club champs, to grow the number of swimmers qualifying for club champs at the end of the season.

Thanks, of course, to our committee for the time and initiative they contribute to keep the wheels turning behind the scenes. A really great team effort and we look forward to welcoming new parents joining the team next season.

Lastly thanks to the parents of all our swimming members for enabling and empowering your children to swim with the club regularly and for helping out poolside. Our club's success is underwritten by the precious time our families volunteer.

Claire Butler

Swimming Taranaki Male Open Water Trophy	**Jackson Rowlands**

Taranaki Club Coach of the Year

Jenna Ansley

Jenna has taken on learning to become a competitive coach alongside Margaret Higgison for the last couple of seasons and is doing a fantastic job. The kids get on well with her and are doing well in the water. She is always trying out new ideas and makes a great effort to understand and work out problems with any swimmer. Jenna is well deserving of the award 'Taranaki Club Coach of the Year'.

Taranaki Volunteer of the Year

Leah McDonald

Stratford Flyers Swim Club

Leah has given many years of dedicated service to Stratford Flyers, consistently going above and beyond for the club and its swimmers. Over the past year, particularly while the club searched for a new coach, she became a driving force behind fundraising and took responsibility for managing and coaching swimmers at carnivals and events.

Leah always puts swimmers first, ensuring they can compete, develop, enjoy their swimming and feel supported. Her willingness to help, unwavering commitment and countless volunteer hours make her a very deserving recipient of Volunteer of the Year.

Kate Wanden

Okato Swim Club

Kate Wanden is a dedicated and valued member of Ōkato Swim Club. As a committee member and club publicist, she supports swimmers, manages club records and results, promotes the club, and helps wherever needed. This year, Kate embraced the Give It a Go Summer Series, encouraging and supporting Ōkato swimmers; she organised transport, supported families, helped other clubs and, when Ōkato hosted, organised volunteers and marshalled to ensure the meet ran smoothly. She then arranged special prizegiving trophies, participant medals and an Ōkato swim cap for every swimmer involved. Kate consistently sees what needs doing and gets it done, always going above and beyond for swimmers and the wider swimming community.

Taranaki Official of the Year

David Cameron

Stratford Flyers Swim Club

This award recognises David's commitment and contribution as a swimming official. He consistently steps up to help, regularly volunteering at swim meets even when his own daughter isn't competing. David gives his time simply because he cares about supporting swimmers and the sport. His reliability, generosity and ongoing commitment demonstrate the true spirit of volunteering and are greatly appreciated.

Service Award

Nicola McClung

Nic McClung has been a huge part of the swimming community through Stratford Flyers and the wider Taranaki swimming community for more than 10 years, giving countless hours of her time to support our swimmers, families and teams.

Over the years, Nic has always been someone to be relied on, whether it's organising and helping with away trips and camps for Stratford Flyers and Taranaki teams, helping at club nights and carnivals, or simply stepping in when something needs to be done, Nic is always willing to put her hand up.

A lot of what Nic does happens quietly behind the scenes. She has helped organise fundraising, certificates for prizegiving, timekeeping, is the Stratford club recorder, and taken

on all those little jobs at meets that make such a big difference to our swimmers. She is often one of those people who just gets on with what needs doing without expecting any recognition.

Nic has also given many hours to supporting Taranaki swimming at a regional level, helping with teams, events and travel and making sure swimmers are supported wherever they are competing. What stands out most about Nic is her genuine care for the swimmers. She has continued to give her time, energy and support.

Nic is one of those people who has quietly helped shape and support the club over many years. Her dedication, generosity and commitment to our swimmers make her a very deserving recipient of a Service Award.

Gayton Award

Paul Feltoe

Swimming Taranaki is pleased to award Paul Feltoe The Gayton Award 2026 in recognition of his outstanding leadership, service and advocacy for open water swimming in Taranaki.

For more than 10 years, Paul has been a driving force behind the Flannagan Cup, helping ensure its continued success through strong leadership, sponsorship and participation.

As a Swimming Taranaki Board member for over three years, Paul has championed open water swimming and supported young swimmers to compete at national events, including the Blue Lake and Epic Swim.

Paul also leads by example. A dedicated masters' swimmer, he continues to compete at an international level, including completing the 35 km Lake Karapiro ultra-marathon in March this year and three of the 'Oceans Seven' channel crossings around the world previously.

Paul's passion, commitment and contribution have had a lasting impact on open water swimming in Taranaki, making him a deserving recipient of The Gayton Award 2026.

Taranaki Life Membership Award

Rowan Williams

Swimming Taranaki recognise Rowan Williams with a Life Award for more than 15 years of outstanding service to swimming in Taranaki.

Rowan has held numerous officiating qualifications and roles, including Regional JOS and Regional Referee. She joined the Swimming Taranaki Board in 2016 and the Technical Committee in 2017, where she continues to make a significant contribution.

Her involvement extends well beyond officiating. Rowan has played an important role in the organisation of the annual Flannagan Cup and has been a dedicated supporter of Aquabladz Swimming Club, where her swimming journey began.

Over the years, Rowan has received numerous honours, including Official of the Year, a Service Award, multiple Gayton Awards, and a nomination for Swimming New Zealand's Domestic Technical Official of the Year. In 2025, she was also recognised with a New Plymouth Volunteering Award.

Rowan is widely respected for her knowledge, professionalism, fairness, and calm leadership. She has generously mentored and trained new officials, helping to strengthen the future of swimming in Taranaki.

Her commitment, generosity, and passion have made a lasting difference to athletes, coaches, officials, volunteers, and the wider swimming community.

Rowan, thank you for your many years of service and dedication. It is our pleasure to recognise you with the **Swimming Taranaki Life Award**.

RECORDS OFFICER REPORT 2025 - 2026

This year 10 records have been set, 20 short course and 2 long course. 0 set by Individuals and 22 Relays.
Zero swimmers from zero of the five active clubs in Taranaki contributed to the individual total.
No swimmer set a New Zealand Record this season

Entity Information

Swimming Taranaki Inc
For the year ended 30 June 2026

Legal Name of Entity

Swimming Taranaki Inc

Entity Type and Legal Basis

Incorporated Society

Entity's Purpose or Mission

Swimming Taranaki's Purpose: To promote swimming in the community, developing life skills and providing pathways to success.

Swimming Taranaki's Mission: Empowering Rangitahi through leadership, opportunities and inclusion.

Entity Structure

The entity is governed by a board.

Entity's Reliance on Volunteers and Donated Goods or Services

Every swim meet requires approximately 36 vounteers in order to run it successfully, 8 of these need to be qualified in order for the meet to be deemed as a 'designated' meet for our members to use their times as qualifying times for other National meets.

Entity's Governance Arrangements

Board Member (6)
Technical Committee (5)
Blazer Committee (2 elected members, 2 board members)
Selectors (made up of regions coaches)

Approval of Financial Report

Swimming Taranaki Inc
For the year ended 30 June 2026

The board are pleased to present the approved financial report including the historical financial statements of Swimming Taranaki Inc for year ended 30 June 2026.

APPROVED

Chair

Date 11 Oct 2026

Administrator

Date 11/10/2026

Statement of Service Performance

Swimming Taranaki Inc
For the year ended 30 June 2026

Net change in cash for period	(9,360)	(15,565)
Closing cash	24,863	34,224

This statement has been prepared without conducting an audit or review engagement.

Statement of Accounting Policies

Swimming Taranaki Inc
For the year ended 30 June 2026

Basis of Preparation

The entity is permitted by law to apply the Tier 3 (NFP) Standard issued by the External Reporting Board (XRB) and has elected to do so. A PBE may apply the standard if it does not have public accountability and has total annual expenses less than or equal to $5,000,000. All transactions in the Performance Report are reported using the accrual basis of accounting. The Performance Report is prepared under the assumption that the entity will continue to operate in the foreseeable future.

Goods and Services Tax (GST)

The entity is registered for GST. All amounts are stated exclusive of goods and services tax (GST) except for accounts payable and accounts receivable which are stated inclusive of GST.

Income Tax

Swimming Taranaki Inc is wholly exempt from New Zealand income tax having fully complied with all statutory conditions for these exemptions.

Bank Accounts and Cash

Bank accounts and cash in the Statement of Cash Flows comprise cash balances and bank balances (including short term deposits) with original maturities of 90 days or less.

Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefit will flow to Swimming Taranaki Inc and revenue can be reliably measured. Revenue is measured at the fair value of the consideration received.
The following specific recognition criteria must be met before revenue is recognised.

Donations, Fundraising and Grants
Grant revenue includes grants given by other charitable organisations, philanthropic organisations and businesses. Donations and grants with a documented expectation regarding use have been recognised as revenue over time, as the expectation is satisfied. Where the expectation of use has not been met, the remaining amount is recognised as a liability and released to income as the expectations are satisfied

Revenue from providing goods and services
Revenue is recognised in the period the goods and services are provided.

Interest Income
Interest income is recognised as it is earned.

Property, Plant and Equipment

Items of property, plant and equipment are measured at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the asset. Where an asset is donated to the entity, its cost is measured at its current value as at the date of acquisition.
Depreciation is charged on a straight line basis over the useful life of the asset. Depreciation is charged at rates calculated to allocate the cost or valuation of the asset less any estimated residual value over its remaining useful life:

Buildings	10%
Motor Vehicles	20%
Computer equipment	50%

The above information must be read subject to the compilation report.

Furniture and fittings	15%
Equipment	33%

Depreciation methods, useful lives and residual values are reviewed at each reporting date and are adjusted if there is a change in the expected pattern of consumption of the future economic benefits or service potential embodied in the asset.
The committee have agreed there will be no changes in depreciation rates of existing assets prior to 30 June 2024, due to the belief they have been fairly depreciated.

Changes in Accounting Policies

There have been no changes in accounting policies. Policies have been applied on a consistent basis with those of the previous reporting period.

Notes to the Performance Report

Swimming Taranaki Inc
For the year ended 30 June 2026

	2026	2025
1. Analysis of Revenue
